UNSUNG
HEROES

It's not easy being a superhero these days. There's plenty of competition, and you've got to stand out in the crowd if you're going to make your mark. To that end, ***PREVIEWS*** celebrates the indie superheroes with our "Unsung Heroes" event this month, bringing these deserving characters and series into the spotlight!

FLIPSIDE ARCHIE COMICS' DARK CIRLE LINE

This month, Alex Segura, editor of Archie Comics' "Dark Circle Comics" line, speaks exclusively with ***PREVIEWS*** about the upcoming "Dark Circle" line, and the first title to be offered, *The Black Hood*, as well as the rest of the line and its direction in the months ahead.

editor's NOTE

SEASONS GREETINGS!

EDITOR'S *note*

With this issue, we end another publishing year for ***PREVIEWS***, each and every issue filled with the coolest stuff on Earth. For us, our 315th issue is one more for the archives. But for you, it's fresh and ready to be thoroughly searched to discover the things you just can't live without. I'll be doing the same thing later on this month!

I'm always excited to see the new issues of ***PREVIEWS*** arrive from the printer, fresh off the press and weeks early of our on-sale date. I get to go over it all over again and spot the things that squeaked through in the mad rush to get everything done, and also to see where things went right. Thankfully, the "rights" always outnumber the "wrongs".

Starting with our January 2015 issue next month, I'm pleased to announce that we'll be lowering the price of ***PREVIEWS*** to **$3.99** — the cost of a single comic! But unlike standard comics, which run a mere 32 pages, the average issue of ***PREVIEWS*** runs over 500+ pages a month, which is quite the value. With a new lower cover price, we hope you make the new issue a monthly must-have!

Be sure to join us next month when we unveil the titles and publishers participating in **FREE COMIC BOOK DAY 2015**! We'll have 50 different titles from which to choose on Saturday, May 2nd, and you'll want to get your list ready for the day!

And finally, on behalf of the entire ***PREVIEWS*** crew, as well as the rest of the swell folks here at Diamond Comic Distributors, I'd like to wish you a Happy Holiday season! It's been my pleasure to help bring you our publication every month, and it's *your* continued readership that continues to make it all worth the effort!

I hope to see you here next month
for our first issue of 2015!

Your Pal @ ***PREVIEWS***,

Marty

BAN DAI

This monster action figure adopts 3 different materials (ABS, PVC, and POM) for main body. For the "mechanical" monsters, Zndsc (die cast and zinc alloy) is used to provide metallic lustre and weight. Also, articulation points are made of appropriate materials to emphasize the function. The precise utilization of materials enables superior portrayal of each monster's character.

Mecha-King Ghidorah joins S.H.MonsterArts in spectacular form like you've never seen before, with advanced articulation and out of this world detail.

S.H.MonsterArts
Mecha-King Ghidorah

[illegible]

Mecha-King Ghidorah stands tall at an impressive 25cm and precisely placed ball joints in the neck and tail allow for unrestricted posing possibilities. The machine hand on Ghidorah's mechanical torso armor is perfect for posing with your favorite classic S.H.MonsterArts Godzilla. Set also includes three adorable Dorats and special display stand and support parts.

USER's guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

This month's featured creator is...

MIKE CAREY

Mike Carey, please tell us about yourself!
I started writing comics way back in the '90s, working for Indie publishers both in the UK and in the USA. I got my mainstream breakthrough with the *Lucifer* miniseries for Vertigo, and I followed that up with many runs on Vertigo titles (*Lucifer*, *Hellblazer*, *The Unwritten*) and on Marvel superhero books (*Ultimate Fantastic Four*, *X-Men*), but I've always had a foot in both camps, so to speak — writing for Harris, Dynamite, Virgin, and now BOOM! Studios, as well as for the big two.

What are your favorite projects you've contributed to in past?
It would be very hard for me to choose! To a certain extent, you always love what you're doing now, because your mind and your imagination are solidly locked into it. But looking back through my back catalogue, my run on *X-Men* was really fun and rewarding, and I'm very proud of the work I did there, especially on "Age of X," the mini "event" I wrote right up against the end of my run. That allowed me to write all my favourite X-verse characters, and to play all kinds of crazy mind-games with their personalities and relationships.

Lucifer (FEB130247) still remains a favourite. That was my first-ever monthly book, and it was where I learned how to do it. I also look back very fondly on the miniseries *My Faith in Frankie* (AUG040458) and the Minx original graphic novel, *Re-Gifters*, both of which had Sonny Liew as penciler and took me in very new directions, creatively — teen romance and comedy — which are not usually anywhere near my comfort zone.

What are you currently working on?
I've got three books ongoing at the moment, and I'm having a blast with them all, for different reasons. DC/Vertigo's *The Unwritten* (APR128238) is my second long collaboration with Peter Gross, and like *Lucifer*, it's just been pure pleasure throughout. BOOM! Studios' *Suicide Risk* (AUG131149) is the first superhero title I've written where I've basically created the entire universe myself. That's been amazingly exciting to do. And again, I've been really lucky with my art team. Elena Casagrande is enormously talented and huge fun to work with. And on *Houses of the Holy*, Dave Kendall and I are working in a semi-animated interface, the Madefire app, which adapts itself really well to horror. It's different from anything I've done before, and I can't believe what Dave is doing with my scripts.

SUICIDE RISK

What fun titles are you reading?
Well, I was reading *Locke and Key* (JUN090991) and loving it, but Joe Hill inconsiderately went and finished it off! It stayed brilliant right to the end, though, so I shouldn't complain.

I snapped up Fantagraphics' reprint of Jim Woodring's *Jim* magazine. It's hilarious and terrifying by turns, and always inspiring.

Bunn and Hurtt's *The Sixth Gun* (JUN131225), from Oni, has been an amazing read. I love that kind of genre fusion when it's done well, and they do it very well indeed.

I'm a big Los Bros. fan (comes with the territory, when you're my age), so of course I snapped up and devoured Gilbert's *Bumperhead* (JUL141182) this year from Drawn & Quarterly. I love what that guy can do with a comics page. And in this case, I was fascinated by his portrayal of youth culture and the groping for identity that fuels it.

And this is a 2013 book, but I want to mention it anyway. Jeremy Bastian's *Cursed Pirate Girl* (DEC138230) published by Archaia, was just breathtaking. I'm in awe of the guy's draughtsmanship, but quite apart from that it's an astonishing imaginative achievement — completely its own thing.

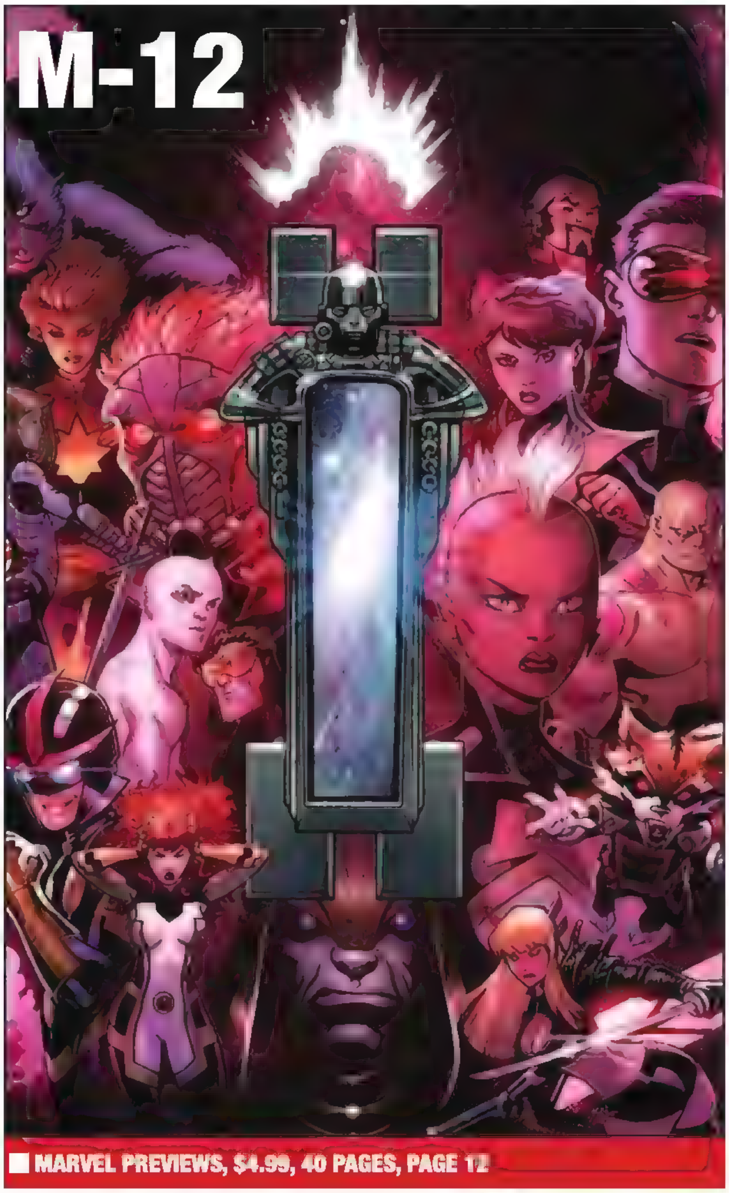
WHOEVER CLAIMS THE BLACK VORTEX CLAIMS THE UNIVERSE



■ MARVEL PREVIEWS, $4.99, 40 PAGES, PAGE 12

In the depths of space, an ancient artifact of immense power is uncovered. Called the Black Vortex, it holds the power to unlock an individual's cosmic potential. Many seek to claim the Vortex for themselves, and the scramble to claim the cosmic power of the artifact will see two teams join forces to safeguard the galaxy in Marvel Comics' next cosmic event, *The Black Vortex!*

By unlocking one's cosmic potential, the Black Vortex can put anyone on par with the Silver Surfer or the Phoenix Force. Immense power in the wrong hands could easily upset the cosmic order and endanger the universe, and when Star-Lord realizes the stakes and the importance of keeping the artifact out of the hands of those who would abuse its power such as the villainous Mr. Knife and some of the most heinous villains the Marvel Universe has ever seen, he knows that the Guardians of the Galaxy are outclassed. Calling on Kitty Pryde and her mutant allies, together the X-Men and the Guardians will fight to help him save the galaxy from the threat of the Black Vortex. But even heroes aren't immune to the lure of infinite power that the Black Vortex offers, and their best intentions may lead them to temptation as they give in to the artifact's effects!

Spearheaded by Sam Humphries, *The Black Vortex* kicks off in *Guardians of the Galaxy & X-Men: The Black Vortex Alpha* #1 from Humphries and Ed McGuinness, and then continues into Brian Michael Bendis and Valero Schiti's *Guardians of the Galaxy* #24, Humphries and Paco Medina's *The Legendary Star-Lord* #9, and Bendis and Mahmud Asrar's *All-New X-Men* #38. Then in March, the story will expand from those titles into the pages of *Captain Marvel*, *Cyclops*, and *Nova* as well, encompassing Marvel's cosmic family of titles as the stakes are raised!

Infinite power and the fate of the Marvel Universe are at stake this spring in *The Black Vortex*, and two teams of heroes are all that stand in the way of cosmic disaster. The adventure begins in *Guardians of the Galaxy & X-Men: The Black Vortex Alpha* #1. Who will claim the artifact? Find out this February?

TERRORS LURK IN THE WOODS IN RICHARD CORBEN'S RAT GOD

Richard Corben has chilled comic book audiences for forty years with his horror comic work and his recently collaborations with Mike Mignola on *Hellboy*. This February, Corben unleashes a new terror on audiences in his new mini-series from Dark Horse Comics, *Rat God!*

Taking its inspiration from the work of H.P. Lovecraft and the legends of Native Americans, Corben imagines a world of terrors that lurk in the forests. A city dweller, drawn to the town of Arkham in search of answers about a young woman, discovers that there are unimaginable horrors that should never be witnessed! What he will find will shake him — and you — to the core in the 5-part *Rat God!*

Humanity has settled the stars, but distant colonies need soldiers to defend them. Unable to find volunteers to join the space military, petty criminals are sentenced to serve their sentences as soldiers on the off-world colonies. This is the world of Ed Brisson and Damian Couceiro's *Cluster* #1, the new military sci-fi series from BOOM! Studios in which a group of underequipped, stranded criminal-soliders must find a way to survive when they're stranded on a distant world!

HORRORS AWAIT IN DEEP SPACE IN GARTH ENNIS' CALIBAN

IT'S A CLONE PARTY IN IDW PUBLISHING'S *ORPHAN BLACK*

One of the hottest sci-fi series of recent memory is BBC America's original series, *Orphan Black*. A young woman witnesses the suicide of another woman on the subway tracks, a woman who looked exactly like her, and then she assumes the other's woman's life. This starts her on a journey that leads to the discovery that she is one of a number of clones, physically identical but psychologically different based on environment and nuture.

This sci-fi smash comes to comics in February in IDW Publishing's new *Orphan Black* series. Written by series co-creators John Fawcett and Graeme Manson, *Orphan Black* will show fans new layers of the conspiracy that surrounds the clones and will lay seeds for the forthcoming third season. An essential part of the *Orphan Black* experience, no fan of the series will want to miss out!

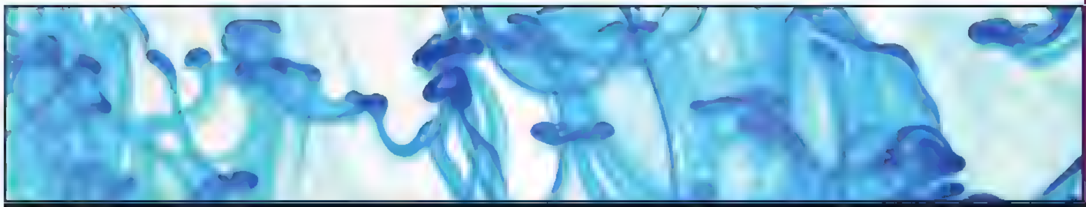
AL SIMMONS RETURNS TO HIS OLD HAUNTS IN *SPAWN: RESURRECTION*

A new era begins for Todd McFarlane's Spawn with a new creative team and the return of an old character in February's Spawn: Resurrection #1!

Al Simmons, the Spawn introduced by McFarlane in 1992's Spawn #1, is back -- and wherever he has been, whatever he has done he changed him, made him smarter, faster, stronger. New York City's criminal underworld has seen a lot, but it hasn't seen anything like the returned Al Simmons. And just beyond the crime infested streets, there's something darker lurking in the shadows, something beyond the usual good-versus-evil battle, something that will challenge Simmons as he has never been challenged before!

Brian Wood, the acclaimed writer of The Massive and Star Wars for Dark Horse Comics, takes the reins of McFarlane's signature character, and joined by artist Jonboy, Spawn: Resurrection #1 offers new readers a jumping-on point and launches a new direction for the character that will continue into March's Spawn #251!

THE ORIGINAL SPAWN RETURNS AND LAUNCHES A NEW DIRECTION FOR IMAGE COMICS' SIGNATURE TITLE!



Spanning eighty years of history, DK Publishing's *DC Comics: A Visual History* takes readers behind the scenes of the publisher who launched the comic book industry and gave the world modern myths including Superman, Batman, and Wonder Woman. THE PENGUIN IS READY TO MENACE YOUR BATMAN MINI-BUST COLLECTION 452

The dapper crime boss of Gotham City, the Penguin, is the next character to join Diamond Select Toys' best-selling line of mini-busts! The *Batman Classic TV Series: The Penguin Resin Bust* stands 6-inches tall and features a stunning recreation of Burgess Meredith's memorable performance of the villain, including his purple top hat, long-stem cigarette, and umbrella. Designed by Barry Bradfield, the Penguin mini-bust will have any Batman fan chortle "Wagh! Wagh! Wagh!" with joy!

THE MINIONS ARE ON THE MARCH WITH TWO NEW POP! VINYL FIGURES 508

Universal's *Despicable Me* film series has taken pop culture by storm, especially the Minions employed by the super-villain Gru to accomplish his goal of stealing the Moon in the first film and to uncover the truth about El Macho in the second. Funko adds two more of the Minions from the film to their *POP! Vinyl Figures* line with the *Fire Alarm Minion* and *Hula Minion* figures. Each Minion stands 3 3/4" tall and features the same stylings that have made these figures so beloved by collectors. Collect them both and plot your own plans for world domination!

GUARD YOUR COMPUTER CORDS WITH THE GUARDIANS OF THE GALAXY 510

Movie audiences around the world thrilled to Marvel's *Guardians of the Galaxy* and its characters, especially the team of Rocket Raccoon (a homicidal raccoon, obviously) and Groot (a walking, barely verbal tree). You can keep your computer cords organized, decorated your venetian blinds cords, Christmas tree light strings, or other cords with Rocket or Groot thanks to NECA's *Guardians of the Galaxy 2-Inch Scalers!* These mini-figures will wrap around cords and give them a heroic look!

Facing across the chessboard, the Endless of Neil Gaiman's Sandman are ready to engage in the game of kings with DC Collectibles' *The Sandman Chess Set*. The sculpted, cold-cast porcelain pieces evoke both classical themes and medieval themes, reminiscent of the Lewis Chessmen, to create a stunning interpretation of the Endless. The pieces come with a wooden chessboard, complete with official logos, to complete *The Sandman Chess Set*.

459 MEZCO LAUNCHES A NEW LINE OF DELUXE FIGURES WITH *THE DARK KNIGHT RETURNS* BATMAN

Gotham City's champion returns with Mezco's new *One:12 Collective: Batman: The Dark Knight Returns Action Figure*. Based on Frank Miller's classic graphic novel, this 6" scale figure of Batman boasts 32 points of articulation, a digital sculpt, and a tailored cloth costume to create a figure that is truly a work of art! The figure comes with interchangeable parts, so you can display Batman in a variety of action poses. Gotham's villains have much to fear in the *One:12 Collective: Batman: The Dark Knight Returns Action Figure!*

KEEP YOUR MONEY SAFE WITH THE DC BOMBSHELLS 506

Last year artist Ant Lucia reimagined the super-heroines of the DC Universe in the style of pin-up artwork from the 1940s, not unlike the art that graced the fuselage of B-17 bombers during World War II, for the DC Bombshells art series. DynoMighty has taken that artwork and created the *DC Bombshells Mighty Wallets*. Made of flexible Tyvek, these wallets will hold your money and look good while doing so. Fans can choose from wallets with characters such as Batgirl, Wonder Woman, Harley Quinn, and many others!

QUANTUM MECHANIX'S FIREFLY PLUSH IS READY FOR FLIGHT 466

The Serenity soars again with Quantum Mechanix's new *Firefly: Serenity Plush!* The starship seen in Joss Whedon's beloved sci-fi/western *Firefly*, the *Serenity* measures 18-inches long and is created with rich colors from bridge to the reactor engines. Plus, the plush comes with detachable plush shuttles that can be docked in shuttle bays along the ship's neck. If you loved *Firefly*, add the *Serenity* plush to your collection and cuddle it when you next put the Blu-ray discs in your player!

THE GOON: ONCE UPON A HARD TIME

#1 (OF 4)

Eric Powell (W/A/Cover/Variant Cover)

On sale Feb 4	FC, 32 pages
$3.50	Miniseries

After the tragic events of *Occasion of Revenge*, the witch coven believes that control of the unnamed town will soon be in their grasp and the Goon's tragic soul will contribute to the curse that increases their power. But has their plot destroyed the Goon or created a monster too savage for them to withstand?

Once upon a Hard Time is a climactic miniseries that has major consequences for the Goon and his supporting cast. If you're a *Goon* fan, you can't miss this.

“Powell's story is sweet when it needs to be, warm and touching when it wants to be, and brutal and gruesome when it has to be.”

BRIENNE OF TARTH STATUE

On sale May 27

14" tall, hand-painted, limited to 950 numbered pieces

$225.00

There are plenty of fierce warriors in *Game of Thrones*, but few are the match of Brienne of Tarth. Standing taller than most men, armed with her sword Oathkeeper, she is a fury in battle.

We have depicted her this way in a new limited-edition statue, sculpted in fine detail by Gentle Giant Studios.

Superstar writer Grant Morrison joins legendary artist Jim Lee on Earth-10 for one of the most dynamic, action-packed issues of this entire world-shattering series – THE MULTIVERSITY: MASTERMEN!

Imagine a world where the Nazis not only won World War II but went on to direct world culture for the next 60 years with the help of an orphaned, alien super-weapon known as Overman! But hope is not lost! Rising from the ashes of oppression are a diverse band of heroes raging against the fascist regime – a band of heroes known as THE FREEDOM FIGHTERS!

What nightmarish parallel worlds haunt the dreams of Overman? Who is the mysterious figure called Uncle Sam? And when the dust settles, will the actions of Phantom Lady, Black Condor, Human Bomb, Doll Man and The Ray be enough to stop Leatherwing, Blitzen and the other "heroes" of Earth-X?

Learn all this and more in this exciting issue that acts as chapter seven of the critically acclaimed MULTIVERSITY storyline.

In the post-apocalyptic city of New Angeles, killing isn't just a crime – it's entertainment.

When the "big one" finally hit the West Coast, Los Angeles was left in ruins. And when the U.S. government decided to cut the city loose, things went from bad to worse. To survive, L.A. did what it does best: It turned survival into entertainment.

Now, thirty years later, the city of New Angeles is thriving once more thanks to the blood sport known as SUICIDERS – a TV series that combines the spectacle of hand-to-hand combat with elaborate, high-tech obstacles that test each competitor's ability to survive. But these competitors have an edge: They've been freakishly enhanced by drugs and technology. The results are both marvelous and monstrous, as the man called The Saint begins to rise above his fellow Suiciders.

SUICIDERS is a dark, post-apocalyptic epic that tells the story of a strange, brutal world, written and illustrated by Lee Bermejo, the #1 *New York Times* best-selling writer/artist behind JOKER, BATMAN: NOEL, LUTHOR and BEFORE WATCHMEN: RORSCHACH.

SUPERMAN/BATMAN: MICHAEL TURNER GALLERY EDITION HC

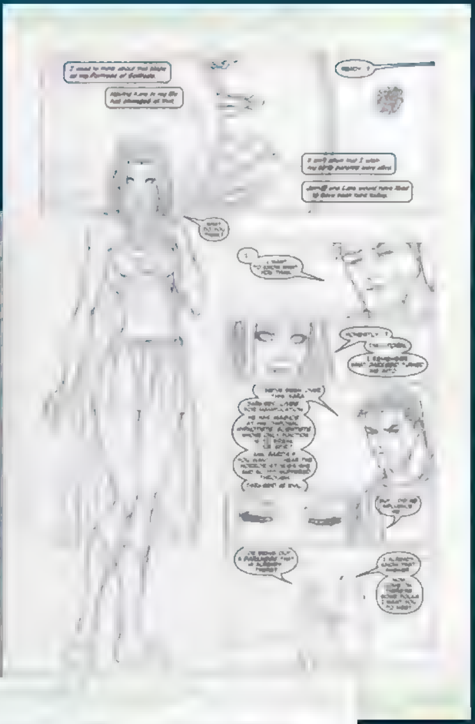
Art by MICHAEL TURNER
Written by JEPH LOEB

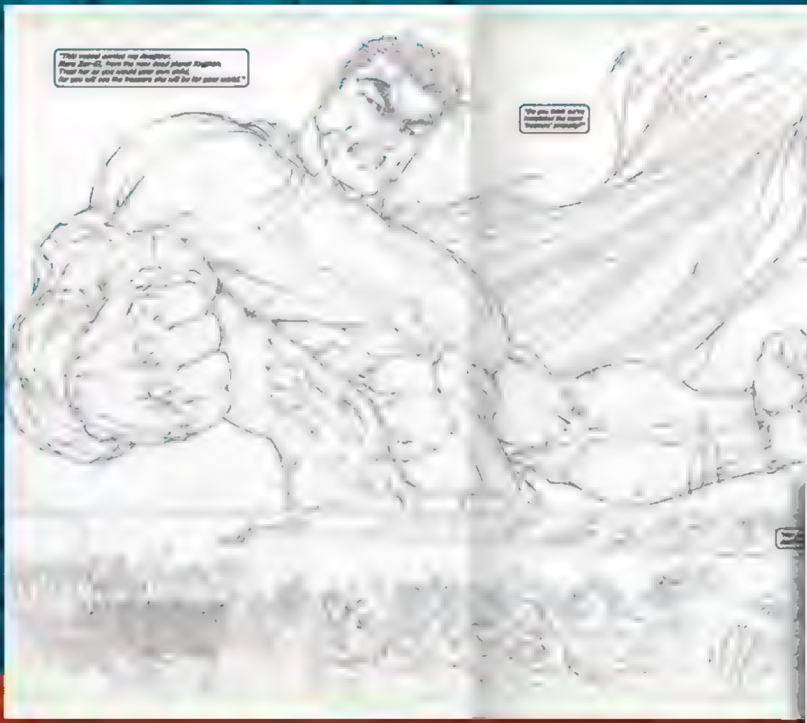
Advance solicit • On sale in April • 208 pg, FC, 12" x 17" • $125.00 US

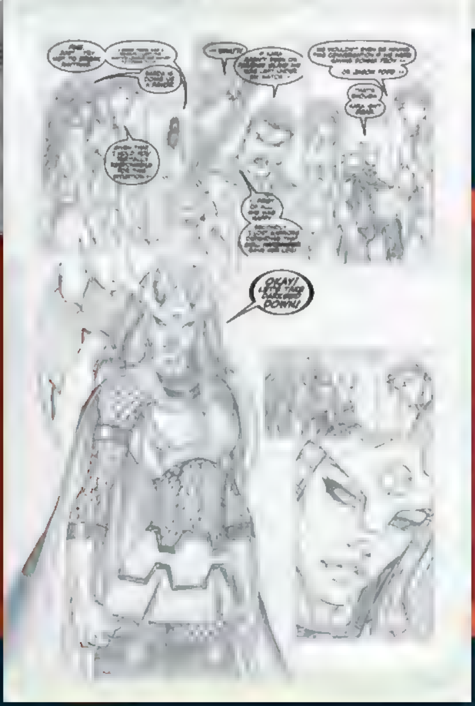
The art of comics legend Michael Turner is seen for the first time in it's original form in the new SUPERMAN/BATMAN: MICHAEL TURNER GALLERY EDITION. This spectacular new book collects the "Supergirl" epic from SUPERMAN/BATMAN #8-13. Rounding out the book are numerous covers from IDENTITY CRISIS, JUSTICE LEAGUE OF AMERICA, THE FLASH and other DC Comics titles that helped establish Michael as an artistic force to be reckoned with.

Graphitti Designs' Gallery Editions replicate the look, feel and attitude of the artwork. Every page is reproduced at original size on heavy paper stock to provide the fan and collector with museum-quality reproductions obtainable nowhere else.

This stunning Gallery Edition collects Michael Turner's work for DC Comics, reproduced directly from his uninked pencil art that was then enhanced and colored by the talented Peter Steigerwald. This format showcases Michael's art with all the subtleties and details that have never been captured in this fashion until now.







OKAY! LET'S TAKE DARKSEID DOWN!

SPOTLIGHT ON GALLERY EDITIONS

Each high-quality, Smythe-sewn hardcover book captures every detail of the art at actual size, and is printed at 200 line-screen on a rich, heavy paper stock. Replicating the original art experience is our goal. Graphitti Designs' Gallery Editions are the next best thing to holding the original art in your hand.

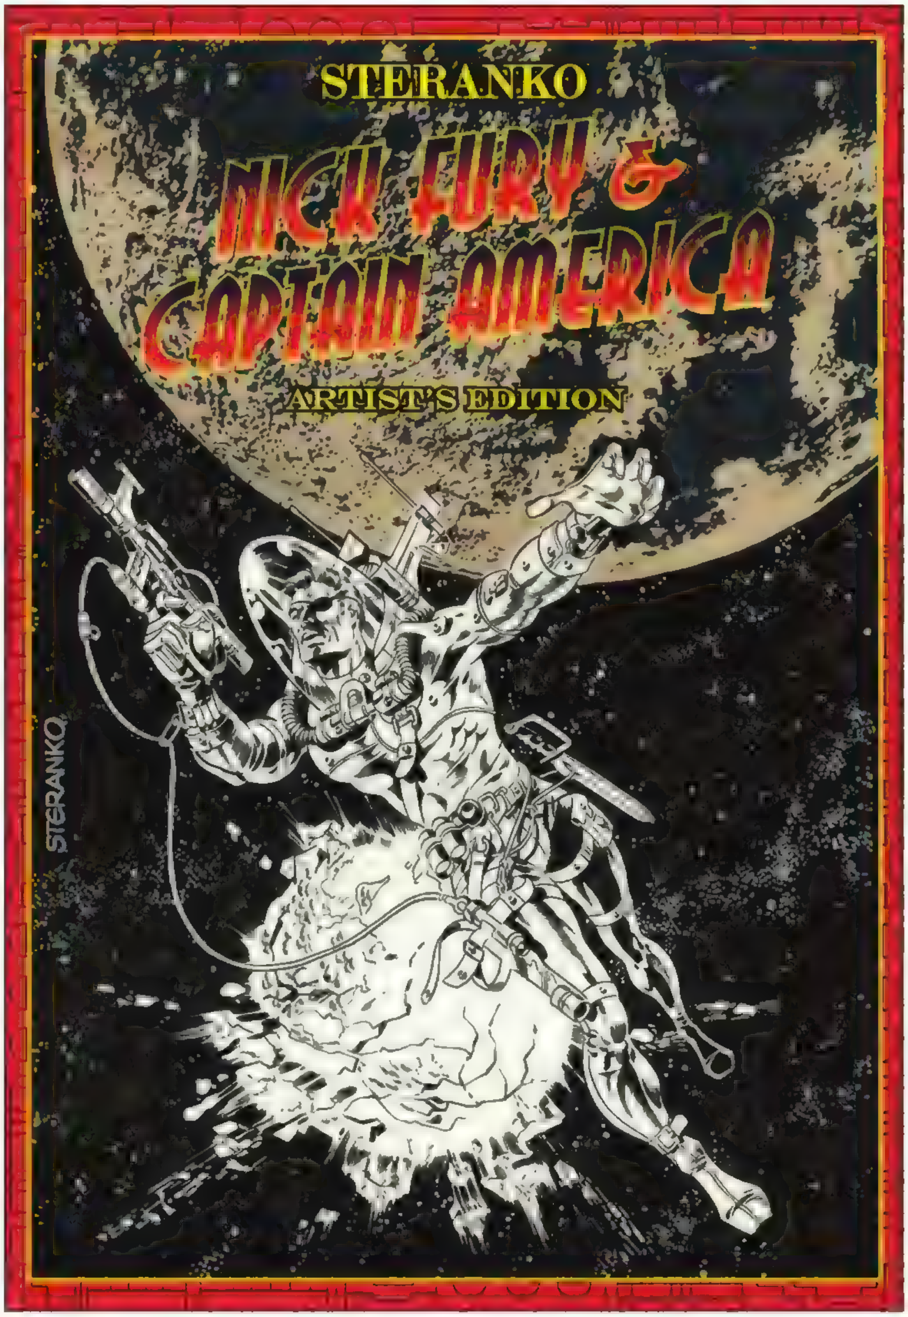
Jim Steranko (w & a & c)

HC • BW • 256 Pages • 12" x 17"
ISBN: 978-1-63140-296-8
$ Please Inquire



The first *Steranko Marvel Artist's Edition* was a runaway critical and commercial hit, collecting the innovative artist's initial foray into the world of Nick Fury and showcased his outstanding sense of design and revolutionary storytelling techniques.

Now, IDW Publishing proudly presents the second half of Steranko's Marvel work, when he was at the very peak of his artistic powers, producing the stories that built his reputation and made him the renowned creator he is.

Contained in this volume are *Strange Tales* #163-168, *Nick Fury, Agent of S.H.I.E.L.D.* #1-3, 5, *Captain America* #110, 111, 113, as well as select extras. This Artist's Edition will also feature the legendary four-page foldout as a massive double gatefold!

As with the first *Steranko Artist's Edition*, the artist is handling all the design chores himself, making this truly a complete Steranko production!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art—for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

A MAN CAN BE DESTROYED! A TEAM, OR AN ARMY CAN BE DESTROYED! BUT, HOW DO YOU DESTROY AN IDEAL--A DREAM? HOW DO YOU DESTROY A LIVING SYMBOL--OR HIS INDOMITABLE WILL--HIS UNQUENCHABLE SPIRIT? ARE THE THOUGHTS WHICH THUNDER WITHIN THE MURDEROUS MINDS OF THOSE WHO HAVE CHOSEN THE WAY OF HYDRA--OF THOSE WHO FACE THE FIGHTING FURY OF FREEDOM'S MOST FEARLESS CHAMPION--THE GALLANT RED WHITE AND BLUE-GARBED FIGURE WHO HAS BEEN A TOWERING SOURCE OF INSPIRATION TO LIBERTY LOVERS EVERYWHERE! HOW CAN THE FEARSOME FORCES OF EVIL EVER HOPE TO DESTROY THE UNCONQUERABLE CAPTAIN AMERICA?

Fans of *Winterworld* only know Scully's story from after he met Wynn. But what was life like for the traveling trader before he rescued a young girl and found a new reason to survive in the endless wastes of a frozen planet? Presented in stark prose by creator **Chuck Dixon** (author of the acclaimed *Bad Times* series) we learn for the first time of Scully's past from childhood to manhood in the brutal and unforgiving world where every day presents another challenge from death. Filled with the kind of breakneck pacing, savage action, and high stakes that have made the comic series a world renowned classic, *The Mechanic's Song* will thrill you, horrify you, and touch your soul. Find out how the saga begins!

V-WARS: NIGHT TERRORS

The war is tearing our world apart. Instead of big armies with tanks in the field, the Vampire War is fought in the streets, neighbor against neighbor, family against family. *Night Terrors* collects all-new prose stories from the reporters embedded with the beats (humans) and the bloods (vampires). Each tale explores the nature of terror and peels back another layer of our comfort. Each tale bares our throat to the bite.

STAR SLAMMERS

Certified Cool

Walter Simonson (w & a & c)

FC • 300 pages • 8" x 12"
ISBN: 978-1-63140-230-2
$49.99

Before **Walter Simonson**'s work with Marvel and DC, there was *Star Slammers*, a series first devised by Simonson during his college days. The Slammers would later be resurrected as a Marvel graphic novel, and then a miniseries. Simonson describes it thus: "Once upon a time, there was a race of men who could out-shoot, out-fight, and out-kill anybody. They were paid fabulous sums to act as mercenaries. The practice became so lucrative, they decided to go into business. They became the most successful businessmen in history, and they called themselves… the *Star Slammers!*"

The collected *Star Slammers* also features—published here for the very first time—Simonson's earliest version of the Slammers created for his college thesis at the Rhode Island School of Design. These stories predate his first professional comics work but strongly show the artist's keen sense of composition and design.

America's Spunkiest Kid Ensnared in a Den of Thieves!

COMPLETE LITTLE ORPHAN ANNIE, VOL. 11

In the depths of the Second World War, **Harold Gray** paints a dark vision of stateside America when Annie's most loyal friends turn out to be a boarding house full of thieves, forgers, and mind readers. The red-garbed orphan sees how petty politicians and their underworld companions can deprive a small town of freedom just as easily as foreign spies, and that a big city can be home to a larger and even more dangerous threat to national security.

The townsfolk of Eden, Wyoming wake up to the first official murder the town has seen in 25 years. Their reaction to this isn't normal, and there's a reason for that. Eden operates as a haven for fugitive criminals who remain here while new identities, often including facial reconstruction, are created for them. There is zero tolerance for any illegal activity that might draw attention to the town and an "official murder" is the last thing they want. A single, tight-knit family runs Eden with the youngest oddball son Mark Shiffron overseeing the postal branch, the only means of shipping in or out of the city.The FBI has repeatedly been foiled trying to insert an undercover here; they see Mark as the weak link to exploit. This murder gives them a new opportunity.

CALIBAN TPB

Retail Price: $19.99

Writer: Garth Ennis
Cover & Art: Facundo Percio
MR, Color, 176 pages, Trade Paperback

About: The crew of the mining ship Caliban is on a routine mission deep in the universe and confident that nothing outside the normal humdrum monotony of space travel will occur. But when they encounter an alien vessel their dreams of a simple mission turn into a nightmare unfolding along the lonely corridors of the cold steel ship. Something is stalking them and systematically eliminating the few remaining personnel one by one. How can you fight something you can't even understand? Claustrophobic terror grips the crew now as they attempt to escape the thing that has waited patiently for them to eventually arrive in the vast lonely darkness. No one is safe in deep space. Revolutionary comics writer Garth Ennis (Preacher, Crossed) takes you to a very dark place with the type of high tension paranoid storytelling that will leave a lasting mark on you. Beautifully illustrated by Facundo Percio (Fashion Beast), Caliban is a must read for horror and sci-fi fans alike. This volume collects the Caliban #1 – 7 comic book series.

Writer: Alan Moore

Covers and Art: Gabriel Andrade

MR, Color, 32 pages, monthly

About: When human civilization is lost, does that mean we've lost our humanity? Alan Moore returns to monthly comics and puts his unique stamp upon the Crossed universe, as he and artist Gabriel Andrade paint a vivid picture of the future 100 years after the outbreak! Future Taylor and her crew uncover a horrific nest and get forced into making some brutal choices. Attempting to piece together the past and the history of the Crossed, Future Taylor is discovering the horrifying truth of the plague that nearly wiped out the human race. This multilayered story delivers a new brand of horror to Crossed fans at the hands of the scribe that redefined the comics medium.

This masterwork is a self-contained whole new world; no prior knowledge of the Crossed series is needed.

All the covers for the series have been planned out by Alan Moore, with the images enriching and expanding on the series. Clues and glimpses of what came before, and what might be, are found throughout the variant covers.

American History X Wraparound: Each of these will depict a specific time in the past hundred years, showing how things have changed and offering a peek at some key events. Each cover will display the year in which it takes place to help build the full picture.

Crossed Culture: These are all images of how the Crossed have changed the way they live. With few humans left to hunt, and the animal kingdom thriving with predators, even the thrill-driven Crossed have had to make adjustments to their lifestyle.

Future Tense: Each cover is a homage to a famous work of science fiction, and each of those original works ties into themes of this series.

New World Order Wraparound: These are not for the faint of heart or delicate of constitution. We can't even picture them in this catalog, they are visions of what an ideal all-Crossed world would be. If the madmen have their dreams come true, what would the everyday life look like? These covers are brutally intense images of true horror and may have scenes of torture, depravity, and nudity. These are clearly for adults only. Each copy of this edition will ship in a sealed polybag with a protective slip cover over the actual image to assure it can be racked in stores. The graphic pictured here is the slip cover only. Due to all these special protective measures this edition is strictly limited to initial orders.

MR, FC, 160 pp, Trade Paperback

About: The horrors of enhanced soldier war have taken a dire turn for the Allies. Their attempts to develop a counter to the German Battleship Ubers have led to a crossroads in development. But the discovery that the Nazis have not only discovered the same weapons but have improved upon them leaves a terrible hole in their ability to mount a defense. With both sides suffering herculean losses and the devastation of world war decimating every nation, the escalation of super human combat is making the Allies desperate for foothold. Kieron Gillen (Journey into Mystery) has created a unique and terrifying mix of the fantastic and the horrible that will leave you speechless in the blood soaked pages of Uber. The horrors of super human warfare are immeasurable. This volume collects issues #12 – 17 of the ongoing Uber comic book series.

PIX: ONE WEIRDEST WEEKEND GN

Hatter Entertainment

Pix: One Weirdest Weekend graphic novel is the launch title for Hatter Entertainment from comics creator Gregg Schigiel (*X-Babies*, *SpongeBob Comics*). Just in time for Unsung Heroes month, Pix is a brand new super hero looking to make a splash and show the whole world what she can do!

Emaline Laurel Pixley, Em for short, or Pix if you were to meet her in her superhero costume, is a teenage girl looking for a way to live her life with superpowers. She is learning how to deal with the repercussions of having her powers and resolved to be a force for good in her community. When Pix isn't saving people from certain doom, the values her parents have instilled in her along with Schigiel's art style can almost trick the reader into thinking she might live next door to Archie Andrews in Riverdale. While people initially might not believe she has her powers because she's the daughter of a Fairy King like she claims, no one dares to give her any flak when it's her super strength standing between them and monsters, fire breathing dragons, or even magically possessed electronics!

Will Pix be able to deal with all the various dangers that surround her and her friends, find a way to do the right thing like she wants, and still manage to do it all while not getting grounded by her parents? Don't miss out! Pick up your copy of *Pix: One Weirdest Weekend* from Hatter Entertainment in February 2015.

WHY WE LOVE IT

Ed Brisson *(Sheltered)* is one of comics' best new voices and we could not wait to work with him on an original series following his run on ***Sons of Anarchy***. After hearing his pitch for a gritty, violent, sci-fi epic in the vein of *The Dirty Dozen*, we knew there was no one better to bring the criminal cast of characters to life than the other half of the ***Sons of Anarchy*** team and Ed's *Murder Book* collaborator, Damian Couceiro

WHY YOU'LL LOVE IT

Cluster is a series for fans of old-school, hard-boiled action. Brisson and Couceiro know how to tell stories about rich characters with criminal backgrounds, and the off-world setting allows them to tell personal stories with a massive scope. Have you ever wondered what a book starring all those lowlifes in the gutters of sci-fi havens like Mos Eisley would look like? Then we have the book for you

WHAT IT'S ABOUT

In the distant future, as mankind discovers life on other planets, it needs soldiers to defend its colonies and outposts across the stars. In order to increase the number of boots on the ground, criminals are offered the opportunity to serve in the place of incarceration. But as wars wage on and more soldiers are needed, small-time crimes are given long-term punishments. When a group of prisoners serving their time as soldiers become stranded and abandoned on a war-torn planet, they'll need to work together to survive and uncover the truth behind Earth's role in deep space

WHY WE LOVE IT

We can't get enough [illegible] Mystery. [illegible] Experiences (NDE)!

WHY YOU'LL LOVE IT

Award-winning novelist Jason Starr (*Wolverine Max, The Chill*) and artist Andrea Mutti (*Conan, The Girl with the Dragon Tattoo*) deliver a gripping but deeply human drama set in an uncertain world.

WHAT IT'S ABOUT

Near future, and some people who have had Near-Death Experiences have come back "changed." They exhibit extreme behavioral changes, becoming increasingly paranoid and violent, and no one knows why. People who have had NDE's fall immediately under suspicion, and in some cases, are murdered by justice-seeking vigilantes. It is in this world where Beth, a quiet high school student with a bright future, will learn just how quickly friends and family will turn on her when she has the bad luck of surviving the worst night of her life... WHY WE LOVE IT

Punk rock isn't dead…yet. Turf wars, breaking rules, crushing violence, and Black Flag—these are a few of our favorite things, and we can't wait for ***Curb Stomp*** to straight-up knock our teeth out (in a good way).

WHY YOU'LL LOVE IT

Writer Ryan Ferrier *(D4VE)* is a creator on the rise, and newcomer Devaki Neogi's art will hook you with its aggressiveness but keep you coming back with its heart. ***Curb Stomp*** is an unflinching, visceral look at the lengths one woman will go to protect her friends, her family, and her home—perfect for fans of *Rat Queens* and the seminal '70s cult favorite film *The Warriors*.

WHAT IT'S ABOUT

Three gangs. Five girls. No way out. Machete Betty leads a small gang of women under the self-appointed task of protecting their home of Old Beach, one of three boroughs surrounding a rich metropolitan city. When Betty takes the life of a rival gang member in an act of self-defense, she sets off a chain reaction of retaliation, gang warfare, and unlikely allies. It's up to the The Fever—Machete Betty, Derby Girl, Bloody Mary, Daisy Chain, and Violet Volt—to defend their turf at all costs.

SPOTLIGHT ON

GUNNERKRIGG COURT VOL. 1: ORIENTATION TP

Written & Illustrated by **Thomas Siddell**
Cover by **Thomas Siddell**
$16.99 • 304 Pages • Full Color

WHY WE LOVE IT

Thomas Siddell's critically acclaimed and award-winning webcomic has fans all over the world and the last printed edition completely sold out. With a new cover by creator Thomas Siddell and in softcover for the first time, the release of the first volume is finally available again for existing fans and new readers alike!

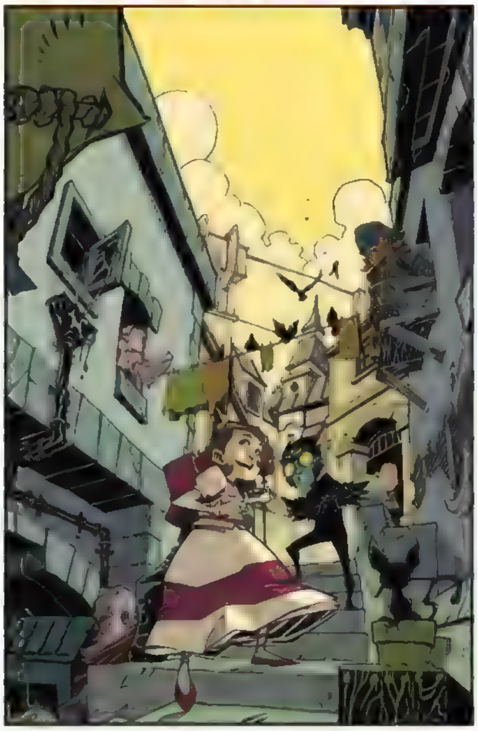
WHY YOU'LL LOVE IT

We'll let Neil Gaiman tell you all about it: "I was thrilled to hear that my favourite webcomic was going to be collected on paper. I wish that Antimony Carver and her adventures and mysteries and myths, not to mention her school, had been around when I was a boy, to shape and warp and twist my growing mind—but I don't think you could ever grow too old to delight in ***Gunnerkrigg Court***."

WHAT IT'S ABOUT

Antimony Carver is a precocious and preternaturally self-possessed young girl starting her first year of school at gloomy Gunnerkrigg Court, a very British boarding school that has robots running around along side body-snatching demons, forest gods, and the odd mythical creature. The opening volume in the series follows Antimony through her orientation year: the people she meets, the strange things that happen, and the things she causes to happen as she and her new friend, Kat, unravel the mysteries of the Court.

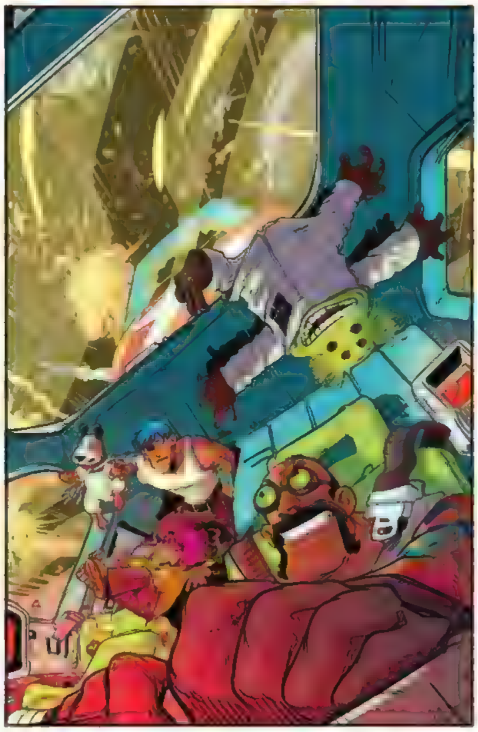
FEATHERS #2 (OF 6)



Written by **Jorge Corona**
Illustrated by **Jorge Corona**
Cover by **Jorge Corona**
$3.99 • 32 Pages • Full Color

Fresh from their near-miss escape from the Guards, Bianca and Poe strike a deal: If he guides her through the treacherous Maze, she will take him to see the White Guide, a feathered statue in the City that may hold the key to Poe's origins. It's an adventure that will take them from the lowest shadows to the highest rooftops, with untold dangers along the way...and not everyone in the Maze is happy about their new alliance.

ROCKET SALVAGE #3 (OF 6)



Written by **Yehudi Mercado**
Illustrated by **Bachan**
Cover by **Bachan**
$3.99 • 32 Pages • Full Color

Behind the wheel of a salvage space hauler, on the run from an armada of robot religious zealots, and catering to the whims of a wild, mad scientist alien, the Rockets are in for a lot more than they bargained for. Luckily, if life has taught them anything, it is that nothing good ever comes easy.

WHY WE LOVE IT

Madeleine Flores' tale of a smart, hilarious, and intensely capable little warrior enchanted us immediately with its unique sense of humor and manga-influenced look and feel. We couldn't wait to bring it to you!

WHY YOU'LL LOVE IT

If you love the brand of kick-butt girl power that the ***Lumberjanes*** bring to the page each month, then this sword-wielding girl and her hilarious adventures will be exactly what you need to round out your pull list. Also, there are witches who turn everyone to hunks. What's not to love?

WHAT IT'S ABOUT

Based on Madeleine Flores' popular webcomic, ***Help Us! Great Warrior*** is about a very powerful Great Warrior (natch) who protects her village from evil-doers and looks great in her armor while doing it. Possessing great strength and even greater self-confidence, she's ready to kick some butts and save everyone, especially hunky guys.

LADY DEATH: APOCALYPSE #1

Regular Retail Price: $4.99
Cover: Renato Camilo
Writer: Mike Wolfer · **Art:** Marc Borstel
MR, Color, 40 pages, monthly

About: The Queen of the Dead is back to life with an all-new series at Boundless! This super-size #1 features the start of a new fully-painted series from artist Marc Borstel but also has a giant story-so-far to bring all readers up to speed on previous series and make this a perfect place for new readers to start. Much has changed during Lady Death's absence from the Under Realm, most notably the near-extinction of the warrior class Demons. What devastating effects the demon annihilation will have on the Under Realm remains to be seen, but Hope cannot stand-by idly as a convoy of enslaved demons rolls through the night toward its captives' oblivion. As her plans of rising to power depend on the loyal foot-soldiers she abandoned, now she must rescue them at all cost. The biggest Lady Death epic to date kicks off here!

Available with Regular and Sultry covers by Renato Camilo, Wraparound by Pow Rodrix, Auxiliary and Alternate History by Juan Jose Ryp, a special Leather cover by Ryp, a premium Pure Art by Camilo and a Art Deco Retailer Order Incentive cover by Michael DiPascale. Also be sure to check out the amazing Collector Box set and the ultimate collectible CGC Numbered Edition!

SIMPSONS COMICS #216

(W) Ian Boothby
(A) Jason Ho, Mike Rote
(CA) Jason Ho

Comic Book Guy falls asleep during a Sci-Fi DVD marathon and dreams up three thrilling astronomical adventures. First, Bart is recruited by a battle school, where he and a ragtag crew of cadets are trained to fight an alien war. Then, Lisa finds herself set adrift in space when the satellite she is tethered too is destroyed by Krusty-themed space junk. Finally, no one is safe when Homer and yet another rag-tag band of misfits become Protectors of the Planets. (STK661846)

When Bender accidentally causes the Professor's "What If" machine to explode, the city of New New York is divided into multiple "What If" scenarios. Only Bender and Fry are unaffected and must gather the parts needed to repair the machine to return things to normal. They enlist the help of a Zoidberg who is from a world where he is incredibly lucky, a Leela who never left the mutant underground and is painfully shy, and a Professor who just happens to be a kangaroo. MACBETH GN

(W) Gareth Hinds, William Shakespeare
(A/CA) Gareth Hinds

Shakespeare's classic story of dark ambition, madness, and murder springs to life in a masterful new graphic novel by Gareth Hinds. Set against the moody backdrop of 11th-century Scotland, Gareth Hinds's captivating, richly illustrated interpretation takes readers into the claustrophobic mind of a man driven mad by ambition. An evil seed takes root in the mind of Macbeth, a general in the king's army, when three witches tell him he will one day be king. At the urging of his wife, he resolves to take the throne by the most direct path: a dagger in the heart of King Duncan. But "blood will have blood," and when others grow suspicious of his sudden rise to power, is Macbeth prepared to commit more murders to keep the crown?

Tim Seeley (w) Mirka Andolfo (a) J. Scott Campbell (c)
FC | 152+ pages | $19.99 | Teen+ | 2/11 (C:0-1-2)

The horror "heroes" of Chaos! Comics are back! The undead Evil Ernie, goddess Purgatori, vampire Chastity, and a supernatural band of misfits known as The Omen have individually witnessed visions of the world's impending doom, and rush headlong into conflict. Some try desperately to avert the holocaust, out of altruism or self-interest, while others just want to raise some hell. So begins the return of the Chaos! universe on an epic scale, the resurrection of fan-favorite boogeymen and femme fatales amidst a violent, apocalyptic upheaval!

"An EPIC read." – ComicWow!

Doc Savage, the Man of Bronze — raised from the cradle to be the pinnacle of mental and physical perfection, a true Renaissance Man of the Atomic Age! Accompanied by a hand-picked team of highly-specialized men and women, Clark Savage, Jr. travels the world, using science and sinews to right wrongs, aid the oppressed, and advance human civilization. But is the world ready to be saved? Developing treatments to prolong human life by decades, medically altering the behavior of criminals, and building a synchronized network to link all humanity... these are the advancements that Doc Savage's grand vision promises for Earth. And so, too, are they the targets of megalomaniacs, cultists, and power brokers the whole world over! The legendary man of action is back, courtesy of Dynamite Entertainment's massive Doc Savage Omnibus, a complete collection of the eight-issue maxi-series by Chris Roberson (iZombie, Masks) and Bilquis Evely (The Shadow). As a bonus, the omnibus includes a world-trotting solo adventure of Doc Savage against the subversive Science Society, originally presented in the Doc Savage 2014 Annual by Shannon Eric Denton (Graveslinger) and Roberto Castro (Spider-Man), as well as a cover gallery featuring the talents of Alex Ross (Kingdom Come) and John Cassaday (Uncanny Avengers).

SPOTLIGHT ON

INTELLIGENT SENTIENT? HC
(W/A/CA) Luke Ramsey
Certified Cool
Delicate, complex drawings tell of a science-fiction world. *Intelligent Sentient?* feels like an artifact from another time; a lost feature in *OMNI* magazine, the album booklet for a late 1970s Hawkwind record, or perhaps a print version of Koyaanisqatsi. Beautiful, detailed, filigreed drawings fold in on themselves and blossom out at the reader. A loose story is told, one of a society of giant people, strange art, and inexplicable scientific experiments utilizing nonexistent technology. Factories and treehouses teem with life, and the city nestles up against a landscape filled with dinosaurs, apes, and dragonflies living peacefully side by side. *Intelligent Sentient?* is a series of images that tie together in progressing theme, the takeaway is that everything is connected. This book is meant to be read forward and back and returned to and treated like a mystical text. (STK662530)

DANIEL CLOWES: THE DEATH-RAY HC
UNSUNG HEROES
(W/A/CA) Daniel Clowes
Teen outcast Andy is an orphaned nobody with only one friend, the obnoxious but loyal Louie. They roam school halls and city streets, invisible to everyone but bullies and tormentors, until the glorious day when Andy takes his first puff on a cigarette. That night he wakes, heart pounding, soaked in sweat, and finds himself suddenly overcome with the peculiar notion that he can do anything. *The Death-Ray* utilizes the classic staples of the superhero genre and reconfigures them in a story that is anything but morally simplistic. With subtle comedy, deft mastery, and an obvious affection for the bold pop-art exuberance of comic book design, Daniel Clowes delivers a contemporary meditation on the darkness of the human psyche. Over Easy

OVER EASY HC (NEW PRINTING)
(W/A/CA) Mimi Pond
A fast-paced memoir about diners, drugs, and California in the 1970s. *Over Easy* is equal parts time capsule of late 1970s life in California — with its deadheads, punks, disco rollers, casual sex and drug use - and bildungsroman of a young woman from naïve, sexually inexperienced art-school dropout to self-aware, self-confident artist. Mimi Pond's chatty, slyly observant anecdotes create a compelling portrait of a distinct moment in time. *Over Easy* is an immediate, limber, and precise memoir narrated with an eye for the humor in every situation. LOUIS RIEL: A COMIC STRIP BIOGRAPHY: 10TH-ANNIVERSARY EDITION TP

To celebrate the tenth anniversary of *Louis Riel*'s publication, Drawn and Quarterly is reissuing the book as a deluxe paperback, with a new introduction contextualizing the work's importance and the original pamphlet covers collected and reproduced in full color. As well, this edition will provide an overview of Brown's creative process and will include rare, never before published panel studies from the work. *Louis Riel* tells the story of the charismatic, and perhaps mad, nineteenth-century Metis leader whose struggle to win rights for his people led to violent rebellion on the nation's western frontier. WOMAN REBEL: THE MARGARET SANGER STORY HC
(W/A/CA) Peter Bagge
Peter Bagge's *Woman Rebel: The Margaret Sanger Story* is a dazzling and accessible biography of the social and political maverick. Bagge presents the life of the birth-control activist, educator, nurse, mother, and protofeminist from her birth in the late 19th-century to her death after the invention of the birth control pill. Balancing humor and respect, Bagge makes Sanger whole and human, showing how her flaws fueled her fiery activism just as much as her compassionate nature did. Bagge creates a fast-paced portrait of a trailblazer whose legacy as the founder of Planned Parenthood is still incredibly relevant, important, and inspiring. (STK620838)

JOJO'S BIZARRE ADVENTURE: PHANTOM BLOOD VOLUME 1 HC

Viz Media LLC

This new Viz announcement excites manga enthusiasts because the only English-language *JoJo* (Joseph Joestar) previously available was the acclaimed third story arc: *Stardust Crusaders*. Viz's amazing editorial team has unveiled that they're starting from the beginning! I cannot use enough exclamation marks! These beautiful hard cover, oversized editions will contain the origin story for the two characters that started it all: Jonathon Joestar (JoJo #1!) and his adopted brother/immortal-rival Dio Brando.

In 1986, manga creator Hirohiko Araki launched one of the longest-running and top-selling manga to ever come out of Japan: a supernatural action battle epic called *JoJo's Bizarre Adventure*. The overall narrative follows the Joestar family and each of the series' eight, multi-volume, self-contained story arcs focuses on a new member from a new generation of the Joestar clan. Imagine a manga that rolls out in much the same way that the *Doctor Who* franchise works. You can start following the series with the advent of any new Doctor (or Joestar child in this case), but the rules of the universe, the villains, and the need for companions and questing will remain the same from (re)generation to (re)generation.

Collectors of the manga, fans of the anime, the video games, the spin offs, the novels, the art books, and even the cosplay will be pounding down the door to get copies of the first-ever Joestar story arc and savvy new readers would do well to snag a copy double-quick.

566 FRAMES GN

(W/A/CA) Dennis Wojda
This breakout Eastern European graphic novel is now brought to you in English. Dennis Wojda, already an established comics creator in Poland, decided to do something ambitious — tell the story of his entire family. He planned it out to 366 panels, one for each day of the year plus a leap day. As his website's popularity grew, it soon attracted the interest of Polish publishers. The problem was that the 366 frames of the story did not fit into any publishers' idea of a graphic novel; not enough pages. They asked Dennis if he could expand on the project, and Dennis was delighted because he had been agonising over which stories of his ancestors' lives he would have to cut or simply omit! With this expanded version he could cover everything he wanted to with due respect and deference. The result is *566 Frames*, a comic book with a real heart. (STK662319)

Twenty chillingly graphic tales from 26 creators about the dead-who-walk that are guaranteed to make your flesh crawl and keep your lights on at night. But what's so different about another Zombie Anthology? Editor Will Vigar said, "I decided I didn't want lumbering idiots having their brains blown out. I wanted contributors to do something different; something small, something intimate; something thought provoking, satirical or crazy. And we have all of those. And more." From the original diagnosis to a far future victory. From the poignant to the outlandish. All wrapped up in two gorgeous colour covers by Tom Box, this is the zombie apocalypse as seen by the living, the undead, and some who may be either. (STK662320)

LOVE AND ROCKETS: NEW STORIES NO. 7

by Gilbert and Jaime Hernandez

$14.99 / 100 pgs / BW / 7.25 x 10.5

The multiple 2014 Eisner Award-winning series returns! In what will surely be a fan favorite, Jaime sends Maggie and Hopey on a road trip to Hoppers, while Ray's jealously threatens to get the better of him back home. Meanwhile, Gilbert offers a sweeping epic of derring-do in which Morgan Le Fey teams up with Aladdin to stop Circle from obtaining the magic lamp, as well as "Daughters and Mothers and Daughters," in which flashbacks to Luba's mother Maria reveal how ugly secrets of the past affect their family today. Plus other surprises!

PRINCE VALIANT VOL. 10: 1955–1956

by Hal Foster; Introduction by Tim Truman

$35.00 / HC / 120 pgs / FC / 10.25 x 14

Our tenth volume finds our band of heroes making their way back to the Kingdom of Thule, battling barbarians on the way. Valiant returns to find hunger threatening the populace of Thule. The volume ends with Val's return to Camelot, a tournament and new treachery in Cornwall. Also included are an introduction by legendary comics artist Timothy Truman, and a special annotated gallery of Hal Foster's incredible Mountie. Once again, all pages are reproduced for the first time from Foster's personal set of color engraver's proofs.

COLLECTED POEMS

by Alexander Theroux

$39.99 / HC / 440 pgs / 6 x 9

The publication of Alexander Theroux's *Collected Poems* will be among the major literary events of the year. Taken altogether they contrive to make up a record of the author's deepest thoughts and reflect the dramatis personae of his life. Theroux captures in his work those rare, frail, but precious truths, inaccessible to the common run of men that would otherwise have vanished into nescience.

SWEATSHOP

by Peter Bagge, with Stephen DeStefano, Bill Wray, Stephanie Gladden, Jim Blanchard, and Johnny Ryan

$19.99 / SC / 152 pgs / FC / 6.75 x 10.25

Peter Bagge's *Sweatshop* ingeniously incorporates the visual styles of cartoonist guest stars like Stephen DeStefano (*Popeye*) and Johnny Ryan (*Prison Pit*). Mel Bowling is the unhappy creator of a very bad daily comic strip. He spends most of his time listening to Rush Limbaugh and coming up with catchphrases to merchandise, while his "sweatshop" of studio assistants grind out all the hard work. Originally published by DC Comics in 2003, this is one of Bagge's best and most undervalued works.

HURRICANE ISLE AND OTHER ADVENTURES: THE BEST OF CAPTAIN EASY AND WASH TUBBS

by Roy Crane; Edited by Rick Norwood

$39.99 / HC / 324 pgs / BW / 10.5 x 8.5

Following our Eisner Award–nominated series of *Captain Easy* Sunday strip collections, we have selected the very best of the daily comic strip adventures of Easy and Wash Tubbs. Featuring Wash running a railroad in a comic-opera version of Eastern Europe, Easy waging total war against The Phantom King, battles with pirates and our heroes as prisoners on the infamous Devil's Island. Roy Crane mixes imagination, romance, and thrills in a masterful style that entices you always to the next thrill-packed adventure!

SPOTLIGHT ON

New York Times best-selling cartoonist Lucy Knisley paints a stark portrait of contemporary, twentysomething womanhood. In this next installment of her graphic memoir series, Knisley accompanies her ailing grandparents on a cruise. Part memoir, part travelogue and part family history, Knisley tries to connect with her grandparents and also, by using her grandfather's WWII memoir, reconcile their younger and older selves. Readers will identify with Knisley's frustration and her attempts to come to terms with mortality, as she copes with the stress of travel complicated by her grandparents' frailty.

$19.99 / SC / 116 pgs / BW / 7 x 9

Saint Cole depicts four days in the life of 28-year-old Joe who feels trapped working overtime at a pizza restaurant to support his girlfriend, Nicole, and their infant child. When Nicole invites her troubled mother to move in, Joe retreats further into alcohol. Joe wants out. He's angry. He's in a position to act rashly. And he does. This new graphic novel from Noah Van Sciver may seem like a left turn from his critically acclaimed debut graphic novel biography of Abraham Lincoln (*The Hypo*), yet upon closer reflection, it continues Van Sciver's interest in pathos and the human condition.

THE SCULPTOR HC

(W/A/CA) Scott McCloud

David Smith is giving his life for his art — literally. Thanks to a deal with Death, the young sculptor gets his childhood wish: to sculpt anything he can imagine with his bare hands. But now that he only has 200 days to live, deciding what to create is harder than he thought, and discovering the love of his life at the eleventh hour isn't making it any easier. This is a story of desire taken to the edge of reason and beyond; of the frantic, clumsy dance steps of young love; and a gorgeous portrait of the world's greatest city. It's also about the small, warm, human moment of everyday life. Scott McCloud wrote the book on how comics work, now he vaults into great fiction with a breathtaking new work. (STK660937)

PRINCESS DECOMPOSIA AND COUNT SPATULA

(W/A/CA) Andi Watson

Princess Decomposia is overworked and underappreciated. This princess of the underworld has plenty of her own work to do but always seems to find herself doing her layabout father's job, as well. The princess is left scurrying through the halls, dodging her mummy, werewolf, and ghost subjects, always running behind and always buried under a ton of paperwork. Oh, and her father just fired the chef, so now she has to hire a new cook as well. Luckily for Princess Decomposia, she makes a good hire in Count Spatula, the vampire chef with a sweet tooth. He's a charming go-getter of a blood-sucker, and pretty soon the two young ghouls become friends. And then, more than friends? Maybe eventually, but first Princess Decomposia has to sort out her life. And with Count Spatula at her side, you can be sure she'll succeed. Available in Hardcover or Softcover editions. Phineas and Ferb want to get the most out of their summer by making every day outrageously fun, but these two best buds aren't content with going to the beach or camping out. Whether they're building a time machine, a backyard roller coaster, or the world's largest drop of water, Danville - and the whole Tri-State Area - will never be boring again! Unless, of course, scheming big sister Candace manages to expose their antics and shut everything down, or worse, if the evil Professor Doofenshmirtz succeeds in taking over the world! To keep things rolling, Phineas and Ferb are going to need the help of their pet platypus Perry, who moonlights as a secret agent protecting the city and stopping Doofenshmirtz in his tracks. Hang out with Phineas & Ferb on the coolest summer break EVER in this colossal 300 page comics collection! (STK662645)

A visually incomparable treat and a brilliant homage to Hitchcock's *Rear Window*, this unusual accordion book opens in two directions. One, a series of ten tableaux on a street scene as it evolves during the day. The next on 10 evening tableaux of the same view. A window may serve as a source of light and fresh air, but it also presents a view onto the life of a street and its many other windows, each a separate scene of its own, with its multitude of ongoing stories developing before your eyes. Within those windows, you can witness the lives of single people, couples, families, stories of love, separation, and possibly even murder. (STK651709) (C: 0-0-1)

BONE

BONE (COLOR) TRIBUTE EDITION BONE: OUT OF BONEVILLE

Cartoon Books (Graphix/Scholastic Books)

Back in the days of the indie comics boom, titles like *Teenage Mutant Ninja Turtles* led to the eventual black and white comics glut which, along with rampant speculation, almost destroyed the comic market. After that time there was a perception that if a comic wasn't in color then it couldn't possibly be any good. Fortunately titles like Cartoon Books' *Bone* and Abstract Studio's *Strangers in Paradise* proved them wrong. Maybe it was the *Wizard Magazine* Ace editions or their time under Homage Studio, but they showed us that a good, make that great comic doesn't depend on color.

After 55 issues and 9 volumes in black and white, the adventures of the three Bone cousins in 2005 became the launching vehicle for Scholastic Books' Graphix line of graphic novels. *Bone* became the first title for this imprint solely dedicated to publishing graphic novels for children and teens, and to make it new to a new audience it was published in full color with terrific coloring by Steve Hamaker.

Now for Graphix's 10th-anniversary a special edition of *Out of Boneville* has been produced featuring 48 pages of bonus material and in hardcover for $14.95. Just getting *Out of Boneville* at that price is already a deal, but now we get mini-comics and other artwork inspired by the series from creators like Kate Beaton, Kazu Kibuishi, Dav Pilkey, Raina Telgemeier, Doug TenNapel, Craig Thompson, Dan Santat, and others.

I already have all the comics, the black and white trades, the one volume edition, and all the color editions, but this is one more I have to add to the book shelves. This is a series I've enjoyed, my kids have enjoyed and hopefully if I live long enough my grandkids will enjoy.

~ Steve Leaf

Nettie's reunion with her baby daughter isn't all she'd hoped—Essie's grown six years in a few moments apart, and now she doesn't even remember her mother. Not to mention that she's the leader of a rebel kid army and hangs out with a giant bunny god all day. Meanwhile, Jude and Hemingway are separated from the group and end up sunning somewhere a little too warm, and the Foreman deals with the repercussions of losing Jude in some not-so-pleasant ways.

FRANKENSTEIN

ROY THOMAS PRESENTS: BRIEFER'S FRANKENSTEIN: 1952-53 SLIPCASE EDITION

(W/A/CA) Roy Thomas

Dick Briefer's *Frankenstein* is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be remembered as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools-humor and horror-Briefer's tales are absorbing and unsettling in equal parts. Collecting *Frankenstein* issues #22-27 (December 1952/January 1953 to October/November 1953). (STK661849) (C: 0-1-0)

CURB STOMP #1

BOOM! Studios

If you don't know what a "curb stomp" is then I suggest watching the film *American History X* (one of many reasons to see this) or cut right to the chase and look it up online so you'll know what to expect going into BOOM!'s newest "punk-alyptic" series.

Punk music meets gang-on-gang violence in a fictional town where the all-female gang known as The Fever fight to keep their elected turf from the other three rival gangs. One night, the unstable peace between all four gangs is suddenly broken in a sudden, violent act that sets in motion an all-out war between the gangs and the city set between them. With tensions high and fingers pointing among the clans, Machete Betty and the other members of The Fever face danger and death in the name of survival.

With an 80's color palate and punk sensibility, *Curb Stomp* is a hybrid between *Phonogram*'s musical reverence and artist, Ryan Kelly's female-focused work (if it had more bloodshed). For you movie lovers out there; think *The Warriors* if it took place in underground music clubs and involved less costumes. Curious yet? You should be.

Cecily confronts him with the prized sword she inherited from her father — and it shatters to pieces! All seems lost, when a lone figure swoops to the rescue, an expert swordsman with a sword unlike any Cecily has ever seen. His name is Luke Ainsworth, a blacksmith of much renown, who will forge a new sword for Cecily and join her down a path of magical adventure beyond her wildest dreams. (STK661278) (C: 0-1-0)

D-FRAG! VOLUME 4 GN

(W/A/CA) Tomoya Haruno

The outrageous manga parody of the high school club genre continues! Kazama Kenji thinks he's a delinquent. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird. The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life… or is it "game over" for our hapless hero? (STK661274) (C: 0-1-0)

KOKORO CONNECT VOLUME 3 GN

(W) Anda Sadanatsu (A/CA) CUTEG

The very best of friends are about to become the worst enemies. When five normal and well-adjusted teens at Yamahoshi Academy form the Cultural Research Club, all is right with the world. The close-knit club of girls and boys are perfectly happy in their daily school life — until a supernatural being known as the Heartseed enters the picture. Now the lives of the five friends are turned upside down, as they start swapping bodies and minds. Inner secrets, hidden pasts, and dark urges are revealed to one another. Will the Heartseed and his mindbending powers pull the five friends apart forever? (STK661276) (C: 0-1-0)

SERVAMP VOLUME 1 GN

(W/A/CA) Tanaka Strike

For fans of *Blood Lad* comes an all-new series about vampires and their strange servants. *Servamp* is an action comedy that focuses on a power struggle between vampires. When a stray black cat named Kuro crosses Mahiru Shirota's path, the high school freshman's life will never be the same again. Kuro is, in fact, no ordinary feline, but a servamp: a servant vampire. While Marihu's personal philosophy is one of non-intervention, he soon becomes embroiled in an ancient — and altogether surreal — conflict between vampires and humans. (STK661829) (C: 0-1-0)

STRIKE WITCHES: ONE-WINGED WITCHES VOLUME 2 GN
(W) Humikane Shimada
(A/CA) Atsuto Shinozuka
The dieselpunk manga sensation continues! The Strike Witches of the 501st weren't the first witches to take to the sky, nor would they be the last. *Strike Witches: One-Winged Witches* covers the story of Wilma Bishop and her adventures along the English Channel in 1942, one year prior to the Second Neuroi War. Join Wilma, sergeant of the Isle of Wight Detachment Group and ace Strike Witch, as she shows new recruits what it takes to earn their flying stripes, not to mention how to kick some nasty Neuroi butt in the process! SHH! PRODUCTIONS

DOKTORMENTOR, JAIL BABE SURGEON GIFT BOX
Shh! Productions is now offering a very limited edition set collecting the entire run of comics featuring their resident mad man, *Doktormentor, Jail Babe Surgeon*. This set contains all 11 issues (#0-10) of this infamously campy and erotic series featuring sexy, revealing photos and telling the story of a prison doctor experimenting on willing, lustful and eventually nude female inmates, reminiscent of B-movie "girls in cages" exploitation films. The box's left side looks like an actual medical journal, allowing this rude, crude and totally nude comic set to blend in with others on a bookshelf without drawing unwanted attention. Along with a free poster, this set also includes two added comics to make this collection complete: *Choose Their Fate* #1, featuring seven different possible endings and numerous ways to get there, and *Bettie Page in Danger* #2 featuring a guest-appearance by Doktormentor. Twelve of the thirteen comics in this set have a 3-D back-up story (3-D glasses included!), plus you also get a "Behind the Screams" DVD showcasing the making of this originally off-beat and sexy photo comic series, with interviews and videos of the models joking, stripping and begging for more! Fantagraphics Books

Traveling can be stressful in any scenario, but have you ever traveled with the responsibility of caretaking for elderly loved ones?

Displacement, the latest instalment in *New York Times*-bestselling cartoonist Lucy Knisley's graphic memoirs, tells of a family outing as Lucy escapes the bitter New York City winter and volunteers to safeguard her grandparents on a cruise of the Caribbean. Reflecting on her grandfather's WWII memoir while on the cruise, Knisley is given a view into their lives as they try to connect. Unsure of what this trip will bring, she capitalizes on the idea of getting to spend quality time with her aging family members.

As anyone that has traveled with older relatives can expect, not everything goes according to plan. Lucy confronts a mix of emotions. Love, frustration, sorrow, happiness- all of these feelings are genuinely captured in this beautiful tale.

Knisley's art soothes and welcomes the reader, softening the difficulties of both travel and connecting with grandparents. The clever uses of water coloring are gorgeous to view. Her witty, honest sense of humor is a breath of fresh air and the true, engaging story of getting to know family warms the heart. Grandparents are not around forever, and Knisley basks in the bittersweet, wonderful time that she is able to share with them.

The World's Greatest First Love, Volume 1

Story & Art by Shungiku **NAKAMURA**

Tired of accusations that family connections got him his current position, Ritsu Onodera quits his job as an editor at his father's company and transfers to Marukawa Publishing. Once there, he is assigned to the shojo manga editorial department—something he has no interest in and no experience with! Having sworn he'd never fall in love again, the last thing he wants to do is work on love stories. To make matters worse, it turns out that his overbearing boss, Masamune Takano, is actually his first love from high school!

BURNE HOGARTH'S TARZAN VOLUME 2: TARZAN VS. THE BARBARIANS HC
(W) Don Garden
(A/CA) Burne Hogarth
The world-famous comic strip, restored and collected for the first time in its entirety! The second of four exclusive volumes, authorized by the Edgar Rice Burroughs estate that collects the entire run of the legendary *Tarzan* comic strip by one of the most influential artists of the 20th-century, Burne Hogarth, reprints the final groups of strips written by Don Garden, who also collaborated with Hal Foster. The restorations are by the renowned comic strip restorer, Peter Maresca, who also worked on Titan's critically acclaimed *Flash Gordon* volumes. The volume contains an illustrated introduction by comics artist Thomas Yeates, who worked on *Tarzan: The Beckoning* and recalls his meetings with Burne Hogarth and the inspiration Hogarth gave him. Collects the stories "Tarzan and the Peoples of the Sea and the Fire," "Tarzan against Dagga Ramba," "Tarzan and the Fatal Fountain," and "Tarzan and the Barbarians," originally published between 1940 and 1943. WIZZYWIG HC (NEW PRINTING)

(W/A/CA) Ed Piskor

They say "What you see is what you get!" but Kevin "Boingthump" Phenicle could always see more than most people. In the world of phone phreaks, hackers, and scammers, he's a legend. Could he really get free long-distance calls by whistling into a pay phone? Did his video-game piracy scheme accidentally trigger the first computer virus? And did he really dodge the FBI by using their own wiretapping software against them? Inspired by the incredible stories of real-life hackers, *Wizzywig* is the thrilling tale of a master manipulator. (STK464884) (C: 0-0-2)

SPOTLIGHT ON

WILL EISNER: A SPIRITED LIFE DELUXE EDITION HC

An expanded, full-color deluxe edition of the out-of-print biography that explores the fascinating life of Will Eisner, detailing a more than 70-year career that in which he spearheaded comics for adult readers and created the first widely accepted graphic novel, *A Contract with God*. From his childhood to famously turning down a proposal for *Superman*, to educating Army soldiers in *P.S. Magazine*, Eisner's personal and professional life is told in dramatic detail. Author Bob Andelman spent almost three years interviewing Eisner prior to his passing, researching his life and work and interviewing friends, family, and colleagues. In addition to hundreds of full-color images from Will's archives and private collections (not found in the original edition), this expanded Deluxe Edition includes a series of new interviews which clear the air on some topics left unfinished by the first edition, and add depth to the reader's knowledge of Eisner's body of work. Featuring an insightful introduction by Michael Chabon. (STK662169) (C: 0-1-2)

PIX: ONE WEIRDEST WEEKEND GN

Hatter Entertainment

Pix: One Weirdest Weekend graphic novel is the launch title for Hatter Entertainment from comics creator Gregg Schigiel (*X-Babies*, *SpongeBob Comics*). Just in time for Unsung Heroes month, Pix is a brand new super hero looking to make a splash and show the whole world what she can do!

Emaline Laurel Pixley, Em for short, or Pix if you were to meet her in her superhero costume, is a teenage girl looking for a way to live her life with superpowers. She is learning how to deal with the repercussions of having her powers and resolved to be a force for good in her community. When Pix isn't saving people from certain doom, the values her parents have instilled in her along with Schigiel's art style can almost trick the reader into thinking she might live next door to Archie Andrews in Riverdale. While people initially might not believe she has her powers because she's the daughter of a Fairy King like she claims, no one dares to give her any flak when it's her super strength standing between them and monsters, fire breathing dragons, or even magically possessed electronics!

Will Pix be able to deal with all the various dangers that surround her and her friends, find a way to do the right thing like she wants, and still manage to do it all while not getting grounded by her parents? Don't miss out! Pick up your copy of *Pix: One Weirdest Weekend* from Hatter Entertainment in February 2015.

AND SUPERSTAR ARTIST

DOUG BRAITHWAITE

A daring new superhero saga from New York Times best-selling creator Joshua Dysart - writer of of the Harvey-Award nominated series *HARBINGER* - and superstar artist Doug Braithwaite (*UNITY, Justice*)!

Toyo Harada is the most dangerous human being on the planet. Imbued with incredible powers of the mind, he has spent his life guiding humanity from the shadows. But today he is a wanted man. His powers are public knowledge, his allies have turned to enemies, and he is hunted by every government on the planet.

Instead of surrendering, Harada has one last unthinkable gambit to play: to achieve more, faster, and with less, he will build a coalition of the powerful, the unscrupulous and the insane. No longer content to demand a better future, he will recruit a violent legion from the darkest corners of the Earth to fight for it. The battle for utopia begins now.

A SHOCKING NEW VISION OF SCIENCE FICTION FROM NEW YORK TIMES BEST-SELLING WRITER

MATT KINDT

AND BLOCKBUSTER ARTIST

TREVOR HAIRSINE

From New York Times best-selling writer Matt Kindt (*THE VALIANT, Mind MGMT*) and blockbuster artist Trevor Hairsine (*X-Men: Deadly Genesis*) comes a shocking new vision of 21st century science fiction in an all-new prestige format limited series.

At the height of the Cold War, the Soviet Union - determined to win the Space Race at any cost - green lit a dangerously advanced mission. They sent a man farther into the cosmos than anyone has gone before or since. Lost in the stars, he encountered something unknown. Something that...changed him.

Long thought lost and erased from the history books, he has suddenly returned, crash-landing in the Australian Outback. The few that have been able to reach him believe him to be a deity – one who turned the scorched desert into a lush oasis. They say he can bend matter, space, and even time to his will. Earth is about to meet a new god. And he's a communist.

How long can it be before the first confrontation between mankind and DIVINITY begins?

AJIN VOLUME 3 GN

(W/A/CA) Gamon Sakurai

One of the top-selling manga in Japan today, having sold more than 600,000 since March 2013, now hits North American shores. *AJIN* combines super-natural themes with sci-fi action for a very modern high-paced yarn! High school student Kei Nagai is killed in a traffic accident, but immediately revives to learn that he may not be human at all. Instead, he may be a Demi-Human, a mysterious almost immortal being blessed with amazing super-human abilities. Scared, he runs away, and is aided in his escape from society by his friend Kai. Unfortunately for Kei, the man-hunt is on and he will soon be caught within a conflict between mankind and other Demi-Humans as they prepare to fight for global supremacy. (STK661616)

Dendera (Novel)
by Yuya Sato, Translated by Edwin Hawkes and Nathan Collins

Certified Cool

When Kayu Saito wakes up, she is in an unfamiliar place. Taken to a snowy mountainside, she was left there by her family and her village according to the tradition of sacrificing the lives of the elderly for the benefit of the young. Kayu was supposed to have passed quickly into the afterlife. Instead, she finds herself in Dendera, a utopian community built over decades by old women who were abandoned like her. Together, they must now face a new threat: a savage bear who, like them, is female and hungry.

GABBY & GATOR TP

(W/A/CA) James Burks

The unlikely friendship between two misfits eco-conscious Gabby and water-phobic Gator — is now available in paperback! Gator has just never seemed to fit in with the other neighborhood pets, probably because he has a nasty habit of eating the other neighborhood pets. Flushed down the toilet as a little snapper, Gator spends his days alone in the sewers. On the streets above, little Gabby has never seemed to fit in with the other kids in town. She'd rather collect bottles and practice her tuba than gossip with the girls down at the pool, but it does get lonely being the only vegetarian on the block. When Gabby and Gator meet, their fun and adventures prove that the best friends are those who accept you as you are, teeth and all! (STK661249) (C: 0-1-0)

MILLENNIUM
HUMANOIDS

MILLENNIUM
Humanoids

The Middle Ages. A time when the once all-powerful Roman Empire struggled against the quickly growing Christian state. A time of bloodshed and pillaging. A time of unrest and doubt where evil machinations permeated the western world and prospects of a future unified continent seemed bleak. This is the world of Humanoid's newest book *Millennium*.

More than a simple cliché rendering of these true turbulent times, though, creators Richard D. Nolane and Francois Miville-Deschenes infuse their world with the supernatural, a compelling mystery, and the literal worst of biblical events. An Arthurian legends-type graphic novel, we follow the courageous Raedwald the Saxon and his loyal companion Arnulf as they fight to uncover the biggest conspiracy Europe has ever seen. They must fight against ghouls, possessed monks, and numerous other monsters found only in myth and legend all the while maintaining their Christian faith and confidence in a greater good.

An epic story in its very presentation—300 pages spanning space and time—*Millennium* is a beautiful book in the complex world Nolane writes and an equally beautiful book in the intricate and detailed world Miville-Deschenes illustrates. Without a doubt this is a solid addition for all fans of wonderfully crafted European graphic novels.

(A) Roger Dean & Various

The Art of Big O is a beautifully illustrated volume that tells the story of The BIG 'O' publishing company that burst upon the swinging London art and music scene during those wild and wonderful psychedelic 60s and produced some of the most amazing and influential fantasy and fantastic and album cover art of all time. These are the artists you have grown to admire and love over the years: *Alien* Academy Award-winning artist HR Giger; the most recognized album cover artist and creative illustrator over the past 50 years, Roger Dean; J.R.R. Tolkien and Michael Moorcock fantasy art great Rodney Mathews; David Bowie album cover artist Terry Pastor; and children's book illustrator, Wayne Anderson. From the psychedelic Jimi Hendrix color explosion posters of artist Martin Sharp, to the fantastical beautiful worlds of the YES, and ASIA album cover posters of artist Roger Dean, through the landscapes of H.R. Giger, from the luminous visionary dreams of artist Robert Venosa, and artist Mati Klarwein, to the magical fantasy landscapes of artist Michael Fishel, BIG 'O' was there with the Big, Bigger, The Biggest O! GRIS GRIMLY: SHERLOCK HOLMES: A STUDY IN SCARLET HC

(W) Sir Arthur Conan Doyle
(A/CA) Gris Grimly

Sherlock Holmes
A STUDY IN SCARLET
RACHE
written by SIR ARTHUR CONAN DOYLE
Illustrated by GRIS GRIMLY

The first book by Sir Arthur Conan Doyle starring two of the most famous classic literary characters — Sherlock Holmes and John Watson — is rendered in a completely fresh, modern, and twisted way, by acclaimed and bestselling illustrator Gris Grimly. A man lies dead in an empty house, not a mark upon him, and no clues, save for the word RACHE scrawled in blood on the wall above. Elsewhere, a former army doctor called John Watson and a brilliant eccentric called Sherlock Holmes meet for the first time. The modern master of gothic romanticism, Gris Grimly, bringing this thrilling tale of love and revenge to a new generation of readers. This handsome volume includes the full, original text as well as over seventy color and black and white illustrations. (STK661816) (C: 0-1-0)

A WISH YOUR HEART MAKES: DISNEY'S CINDERELLA FROM ANIMATION TO LIVE ACTION HC

(W) Charles Solomon
Cinderella is one the most beloved fairy tales throughout the world. Children and adults have read and watched as Cinderella endured cruel mistreatment without complaining, then met her prince before the stroke of midnight. *A Wish Your Heart Makes* will trace the history of the fairy tale, emphasizing its strong ties to Walt Disney and his studio. The story has been adapted to the stage many times along with musical adaptations by Rogers and Hammerstein and Stephen Sondheim. There have been scores of Cinderella films but the most celebrated is Walt Disney's, one of his most beloved fairy tales — and the film that saved his studio. The book concludes with the making of the 2015 live-action film directed by Kenneth Branagh. (STK661843)

Digitally sculpted by the industry's finest artists and painstakingly engineered by Mezco's production team is a state of the art collectable that holds up to real play. The costuming is meticulously tailored and uses specially selected materials to create the highest standard of outfitting and drapery at the 6" scale. Fabrication, color, drapery, comparative scale and mobility are all closely considered to bring the finest attire achievable. The *Batman: The Dark Knight Returns* figure sculpts the character from Frank Miller's seminal graphic novel as a 1/12-scale figure. Batman includes 4 pairs of interchangeable hands (first, holding hats, posing hands, and Batarang hands), pistol, grappling hook, alternate head, a Bat-symbol display base, and an articulated figure stand. These accessories are designed to have a "real world" look to further make the figure seem like it has truly come to life. These accessories, also precisely crafted, range from changeable parts to character specific weapons, equipment and props. Figure comes in fifth panel window box with slip cover. FEATURED ITEM

MARVEL SECRET WARS: SPIDER-MAN "BLACK COSTUME" JUMBO ACTION FIGURE

A Gentle Giant Release! Secret Wars was a 12-part series from Marvel Comics that introduced the character of The Beyonder to the Marvel Universe. The Beyonder assembles a planet from chunks of other planets and dubs it "Battleworld." He then kidnaps several heroes and villains from Earth and transplants them to Battleworld to fight for his amusement. In this storyline, Spider-Man discovers a black symbiotic costume with alien technology, and this suit would not only redefine Spider-Man but become one of his worst enemies in the person of Venom! This 12-part series was tied to an immensely popular Secret Wars action figure collection. Each figure included a signature lenticular shield that was unique to the series. Digitally scanned from the original Mattel *Secret Wars* figures and reproduced in 12" scale, no detail for this jumbo-sized black costume Spider-Man figure has been overlooked. Roto and injection molded and made of durable plastics, this fully-articulated jumbo figure includes a faithfully reproduced lenticular sheild. To further capture the vintage feel, Gentle Giant has packaged this figure with a *Secret Wars*-inspired backer card featuring original photos and artwork. (STK663312) Scheduled to ship in September 2015. (5498/80488) (C: 1-1-2)

STAR WARS: KENNER-INSPIRED UGNAUGHT JUMBO ACTION FIGURE

A Gentle Giant Release! The Ugnaught race is known for their industrious nature in the *Star Wars* universe. First seen in *The Empire Strikes Back*, the Ugnaughts were the primary laborers on the Cloud City of Bespin. They can be seen tinkering with all manner of electrical and mechanicals items, essentially keeping the floating city running. Digitally scanned from mint 3 3/4" Kenner originals and reproduced in 12" scale to the rest of the jumbo Kenner line, no detail has been overlooked. Roto and injection molded and made of durable plastics, this fully-articulated jumbo figure includes a faithfully reproduced tool kit and fabric apron. To further capture the vintage feel, Gentle Giant has packaged this figure with an *Empire Strikes Back*-inspired backer card featuring original photos and artwork. Designed with the collector in mind, the figure comes in a re-sealable plastic outer clam shell to help protect and display this limited edition figure. (STK661821) Scheduled to ship in September 2015. (5498/80469) (C: 1-1-2)

ROBOCOP: ED-209 REPLICA STATUE

If you've seen the 1987 version of *RoboCop* starring Peter Weller, you likely remember ED-209. A prototype urban-assault combat warrior produced by OCP (Omni Consumer Products), ED-209 first appears in the mega-corporation's boardroom, where a malfunction causes it to unfortunately and violently kill a board member. It's this seminal event that shifts OCP's strategy to produce an experimental cyborg design — RoboCop. Chronicle Collectibles is proud to bring you the *RoboCop: ED-209 Replica*, signed by Phil Tippett and molded by Tippett Studio from original masters and an actual puppet used on-screen in the film. This statue stands 14 1/2" tall with base. (STK661799) Scheduled to ship in February 2015. (4522/CLSED209) (C: 1-1-2) **NOTE:** Available only within the United States and U.S. Territories.

PROJECT VANGUARD SATELLITE MODEL KIT

Project Vanguard was the United States' first artificial satellite program. The Navy program launched Vanguard-1 in 1958, a year after the Soviet Union launched Sputnik-1. Though communications were lost in 1964, it remains the oldest man-made object still in orbit. This classic kit from the Hawk Models tooling vault presents an early, speculative look at the satellite. It features opaque and clear parts along with decals to label every aspect of the exploratory craft. (STK662437) Scheduled to ship in February 2015. (7170/HL60312) (C. 1-1-1) **NOTE:** Available only within the United States and U.S. Territories.

ANDY CHAMBERS
PATH OF THE DARK ELDAR

WARHAMMER 40K: PATH OF THE DARK ELDAR OMNIBUS SC
(W) Chambers, Andrew
Omnibus edition collecting the *Path of the Dark Eldar* trilogy! For millennia, Asdrubael Vect has ruled the dark city of Commorragh, crushing any who dare to cross him. His reach is long and his position unassailable. Or so he thinks. A cabal of rebellious archons, allied with other, darker, forces, seek to unseat the tyrant and rule the city in his stead. But as their actions bring about a cataclysm and draw the attention of the mysterious Harlequins, they are cast into grave danger — and Vect is watching. (STK663194) (C: 0-1-2)

WARHAMMER 40,000

WARHAMMER 40K: DEFENDERS OF MANKIND SC
The Space Marines, mankind's foremost defenders, wage war in two epic tales of heroism and horror. In *The Death of Antagonis*, the Black Dragons battle a tide of walking dead that blight the face of a world. Fighting alongside the Inquisition and the warrior-sisters of the Adepta Sororitas, the mutated Space Marines find their allies as much of a threat as their foes. In *Death of Integrity*, two Chapters — the Novamarines and Blood Drinkers — come together to clear an ancient space hulk of alien invaders at the behest of the Adeptus Mechanicus. But something great and dark lurks at the heart of the drifting starship, something that threatens to tear both Chapters apart. (STK663191) (C: 0-1-2)
SC, 5x7, 768pgs, B&W $17.50

WARHAMMER: ARCHAON EVERCHOSEN SC
(W) Rob Sanders
In the north of the world the forces of Chaos gather, awaiting their moment to strike. At their head is the Everchosen, the warrior who will lead the final, cataclysmic assault that will usher in the End Times and the reign of the Ruinous Powers. But he was not always thus; once he was a man, a devout servant of the warrior-god Sigmar. What could cause such a soul to fall to the worship of the Dark Gods? What dark events could have put a knight of the Empire on the path to becoming the harbinger of the world's end? And just who was the man who will become known to all as Archaon? (STK663190) (C: 0-1-2)

A GAUNT'S GHOSTS NOVEL
FIRST AND ONLY

WARHAMMER 40K: FIRST AND ONLY SC
(W) Dan Abnett
The Sabbat World have been lost to the Imperium for many long centuries. Now, a crusade fights to reclaim them. In its midst are Colonel-Commissar Ibram Gaunt and his "Ghosts," the brave men of the Tanith First-and-Only. As they survive battle after battle, Gaunt and his men uncover an insidious plot to unseat the crusade's warmaster, a move that threatens to destabilize the war effort and undo all the good work and sacrifice of millions of soldiers. With no one to trust and nowhere to turn, Gaunt must find a way to expose the conspiracy and save his men from a needless death. (STK663195) (C: 0-1-2)

PATHFINDER ADVENTURE PATH: GIANTSLAYER PART 1: BATTLE OF BLOODMARCH HILL

The *Giantslayer Adventure Path* begins! In the town of Trunau, a beleaguered settlement surrounded by brutal orcs, the heroes must investigate a mysterious death. Before they uncover the truth, however, Trunau comes under attack by an orc army, and the heroes must help defend it, only to discover the real reasons behind both the murder and the orc raid—both were just distractions from a wider conspiracy involving a giant chieftain, who seeks the treasures of the forgotten tomb of an ancient giant hero beneath the town. *Battle of Bloodmarch Hill* is a *Pathfinder Roleplaying Game* adventure for 1st-level characters. This adventure kicks off the *Giantslayer Adventure Path*, an epic campaign of classic sword & sorcery thrills. (STK659283) (C: 0-1-2)

A CERTAIN SCIENTIFIC RAILGUN SEASON 1

From Funimation! Misaka's electro-manipulation abilities – and delightfully destructive Railgun projectile move – make her a rock star in Academy City. The techno-metropolis is packed with supernaturally powered students known as espers, including Misaka's flirty friend and roommate, Kuroko. She uses her teleportation skills as a member of the Judgment law enforcement team, fighting crime alongside her fellow agent Uiharu. Joined by their friend Saten, a spunky Level 0 esper, Misaka, Kuroko, and Uiharu have a blast taking on danger whenever and wherever it arises. Luckily, in a city full of super-powered gangs, mad scientists, and the occasional weird monster, the girls have no problem finding plenty of excitement, action, and adventure! (STK662983) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

A-CHANNEL: THE COMPLETE COLLECTION

From Sentai Filmworks! Toru and Run have been best friends forever, so when Toru learns that she's managed to get into the same high school as Run, she runs to tell her, only to find Run in a compromising position with Yuko. Needless to say, that makes things a bit awkward at school, with Toru fending off those who might be interested in Run while Yuko and their other girlfriend, Nagi, have to deal with Run's own penchant for drama. But it's not all angst all the time, and as the school year progresses the four girls and their many classmates find time to laugh, play and figure out how to handle the unexpected problems life has to throw at them. Like bugs in the house, accidentally giving each other horrible haircuts, freezing up at karaoke, or forgetting to put your underwear on in the morning. (STK662975) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories

Blu-Ray.. $59.98

AMAGAMI SS: THE COMPLETE SEASON 2

From Sentai Filmworks! So far, Junichi Tachibana has been luckier than any guy has any right to be, getting to experience what it would be like to be romantically paired with not one, not two, but seven different beautiful girls in a multiple of alternate universes. So how can he possibly follow that up? Well, how about with continuations of all of those storylines! Yes, all of the pairings are back as each of the girls returns to follow up the romantic advancements in each of their possible futures! Is Junichi going to be able to handle a second go-round with Tsukasa, Rihoko, Ai, Kaoru, Sae, Haruka, and even Risa? Will little sis Miya get a follow up to her own sneaky storyline too? The answer's yes, yes, yes, yes, yes, maybe, yes, and oh yes! (STK662972) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

BLEACH UNCUT VOLUME 23

From VIZ Media! With Aizen's defeat, peace has returned to both the Soul Society and the World of the Living. But soon reports begin to surface of Soul Reapers going missing in the Precipice World, and Ichigo is a prime suspect. He and Rukia go on the run from the 13 Court Guard Squads, while in the World of the Living, Kon finds an unconscious girl lying in the street. When Ichigo and Rukia find out more about the girl, Nozomi, they realize the World of the Living, as well as the Soul Society, is in danger, and the Soul Reapers pursuing them and Nozomi are actually imposters known as Reigai, who have switched places with the missing Soul Reapers! Collects episodes #317-329. (STK662951) (C: 0-1-1)

DVD $44.82

DOG & SCISSORS: THE COMPLETE COLLECTION

From Sentai Filmworks! Harumi Kazuhito could spend days at a time with his head buried in his beloved books, and little would make him happier than perusing the pages of his favorite author. Unfortunately, when Harumi gets himself killed he inexplicably finds himself reincarnated as a dog... which might not be so bad if he could read, his new owner didn't have the unfortunate predilection of tormenting her new pet with scissors, or if she weren't his favorite author! Can Harumi find a way to live with this tantrum-throwing typist, or will her crazed clippings prove to be his undoing? (STK662966) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

FANTASTIC DETECTIVE LABYRINTH

From Lucky Penny! Thirty years ago, Tokyo was destroyed in a massive earthquake. Most people have moved on to a new capital, Shinto, but a string of bizarre murders and supernatural events keep occurring in the ruins of the old city. The only one with the ability to see through to the heart of these mysteries is the enigmatic Mayuki Hyuga, a boy with extraordinary detective skills and powers that even he doesn't yet understand. Together with his guardian and butler Seiran Shinano, Mayuki must not only help the police solve cases, but also uncover the secrets of his lineage. Contains episodes 1-25. (STK662811) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories

LOG HORIZON COLLECTION 2

From Sentai Filmworks! Even as Shiroe slowly learns the secrets behind the creation of the World Fraction spell, the origin of the Demi-humans, and how his own actions in the Real World have affected the world in which he now dwells, the seeds of thought he's planted in the minds of others begin to bear fruit. Game strategy and tactics may have been intended for amusement, but their origins were pulled from actual war planning and stratagems. As others begin to accept and implement those theories on their own, the existing alliances and balance of power begin to shift. Now the Goblins are on the march, and as the Estal Lords debate their course of action, Minori makes a dangerous gamble and initiates action on her own. In the midst of this MMORPG turned real, an unassuming princess may prove to be the key to ultimate victory. Contains episodes 14-25. THE QWASER STIGMATA

MAID SAMA!: THE COMPLETE COLLECTION

From Sentai Filmworks! Misaki Ayuzawa has enough problems being the first female student council president of the formerly all-male Seika High School. When cool, aloof, and oh-so-handsome Usui Takumi discovers that she's also a waitress at a local maid cafe by night, things get very interesting, very quickly! Toss in an organized crime cartel, a handful of extremely annoying transfer students, and the inevitable trip to the hot springs and everyone is bound to end up in hot water one way or another. But Misaki isn't going to let any of that stop her from maintaining order in the classroom and taking orders in the tea room. (STK662978) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

MUV LUV ALTERNATIVE: TOTAL ECLIPSE COLLECTION 1

TOTAL ECLIPSE

From Sentai Filmworks! In 1967, mankind encountered the hostile alien BETA and the Space Race became a Space War. Despite every measure thrown against them, the BETA made their first deadly landings on Earth in 1973, and by 1998 half of Eurasia has fallen. While the rest of the world stages desperate defensive battles across a thousand fronts, a brutally savaged Japan barely manages to hang. But even as pilots and engineers struggle to develop the newest generation of advanced weaponry, the vestiges of the Cold War threaten to cripple the efforts of the defenders, with the surviving nations fighting to prioritize their own survival. At the eye of the gathering storm, the actions of 2nd Lieutenant Yuuya Bridges of the U.S. and First Lieutenant Yui Takamura, the sole survivor of a unit lost in the battle of Kyoto, may become the focus upon which the fate of all humanity depends. "MANKIND'S GREATEST ACHIEVEMENT"
WHY DON'T YOU PLAY IN HELL?

WHY DON'T YOU PLAY IN HELL?
There's a war going on, but that won't stop an inexperienced but eager wannabe film crew from following their dreams of making the ultimate action epic. Ten years ago, yakuza mid-boss Ikegami led an assault against rival don Muto. Now, on the eve of his revenge, all Muto wants to do is complete his masterpiece, a feature film with his daughter in the starring role, before his wife is released from prison. And The Fuck Bombers are standing by with the chance of a lifetime: to film a real, live yakuza battle to the death... on 35mm! Endlessly irreverent and wildly, hilariously visceral, *Why Don't You Play In Hell?* is a Tarantino-esque ode to the yakuza films of yore, and features an over-the-top, blood-soaked finale for the ages. From Funimation! Luffy's impulsive attack on Gecko Moria ends up costing the rubber-man something he can't live without – his shadow! When Zoro and Sanji find themselves in the same boat, the three fierce fighters must find a way to recapture what was lost, or face the possibility of death by sunlight. Luckily, their skeleton friend, Brook, knows the trick to defeating Moria's zombie army, and he'll gladly share the secret in exchange for a little help defeating a sinister zombie samurai! Meanwhile, Nami is kidnapped by an undead scoundrel who wants to make her his wife, and Usopp must rely on his natural state of negativity if he hopes to survive his encounter with a gothic Lolita and her ghostly minions. Hair raising thrills are the story of the hour as the Straw Hats attempt to escape Thriller Bark with their shadows – and souls – intact! (STK662982) (C: 0-1-1)

GODS AND KINGS

EXODUS GODS & KINGS

From 20th Century Fox! From acclaimed director Ridley Scott (Gladiator, Prometheus) comes the epic adventure *Exodus: Gods and Kings*, the story of one man's daring courage to take on the might of an empire. Using state of the art visual effects and 3D immersion, Scott brings new life to the story of the defiant leader Moses (Christian Bale) as he rises up against the Egyptian Pharaoh Ramses (Joel Edgerton), setting 400,000 slaves on a monumental journey of escape from Egypt and its terrifying cycle of deadly plagues (STK662647) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

THE INTERVIEW

From Columbia Pictures! In the action-comedy The Interview, Dave Skylark (James Franco) and his producer Aaron Rapoport (Seth Rogen) run the popular celebrity tabloid TV show Skylark Tonight. When they discover that North Korean dictator Kim Jong-un is a fan of the show, they land an interview with him in an attempt to legitimize themselves as journalists. As Dave and Aaron prepare to travel to Pyongyang, their plans change when the CIA recruits them, perhaps the two least-qualified men imaginable, to assassinate Kim Jong-un. DOCUMENTARY

STUDIO GHIBLI: KINGDOM OF DREAMS AND MADNESS

Granted near-unfettered access to the notoriously insular Studio Ghibli, director Mami Sunada follows the three men who are the lifeblood of Ghibli — the eminent director Hayao Miyazaki, the producer Toshio Suzuki, and the elusive and influential "other director" Isao Takahata — over the course of a year as the studio rushes to complete two films, Miyazaki's *The Wind Rises* and Takahata's *Princess Kaguya*. The result is a rare "fly on the wall" look at the inner workings of one of the world's most celebrated animation studios, and an insight into the dreams, passion and singular dedication of these remarkable creators. ANNABELLE
From Warner Bros! She terrified you in *The Conjuring*, but this is where it all began for Annabelle. Capable of unspeakable evil, the actual doll exists locked up in an occult museum in Connecticut, visited only by a priest who blesses her twice a month. John Form has found the perfect gift for his expectant wife, Mia — a beautiful, rare vintage doll in a pure white wedding dress. But Mia's delight with Annabelle doesn't last long. On one horrific night, their home is invaded by members of a satanic cult, who violently attack the couple. Spilled blood and terror are not all they leave behind. The cultists have conjured an entity so malevolent that nothing they did will compare to the sinister conduit to the damned that is now Annabelle (STK662957) (C: 0-1-1) **NOTE:** Available only within the United States and U.S. Territories.

THE BOYS FROM BRAZIL

THE BOYS FROM BRAZIL
From Shout Factory! History has shown how one man with a dream can turn the world into a nightmare. Can history repeat itself? Elderly Nazi hunter Ezra Lieberman has made a life of seeking out the last remnants of the Third Reich. But when he investigates a lead about a mysterious plot to assassinate ninety-four seemingly unconnected men from around the world, he makes a terrifying discovery that has dire consequences for the fate of the human race. Lieberman's desperate quest to stop the unthinkable launches him on a collision course with the sinister figure behind the plot: the infamous Dr. Josef Mengele. Laurence Olivier, Gregory Peck, and James Mason star in this Academy Award-nominated thriller from the director of 1968's *Planet of the Apes* and based on the novel by Ira Levin, the author of *Rosemary's Baby*. PHANTOM BLOOD

JOJO'S BIZARRE ADVENTURE: PHANTOM BLOOD VOLUME 1 HC

Viz Media LLC

[illegible] announcement excited manga enthusiasts because the only English-language JoJo (Joseph Joestar) previously available was the acclaimed third story arc: *Stardust Crusaders*. Viz's amazing editorial team has unveiled that they're starting from the beginning! I cannot use enough exclamation marks! These beautiful hard cover, oversized editions will contain the origin story for the two characters that started it all: Jonathan Joestar (JoJo #1) and his [illegible] Dio Brando.

In 1986, manga creator Hirohiko Araki launched one of the longest-running and top-selling manga to ever come out of Japan: a supernatural action battle epic called *JoJo's Bizarre Adventure*. The overall narrative follows the Joestar family and each of the series' eight, multi-volume, self-contained story arcs focuses on a new member from a new generation of the Joestar clan. Imagine a manga that rolls out in much the same way that the *Doctor Who* franchise works. You can start following the series with the advent of any new Doctor (or Joestar child in this case), but the rules of the universe, the villains, and the need for companions and questing will remain the same from (re)generation to (re)generation.

Collectors of the manga, fans of the anime, the video games, the spin offs, the novels, the art books, and even the cosplay will be pounding down the door to get copies of the first-ever Joestar story arc and savvy new readers [illegible] a copy double-quick.

CURB STOMP #1

BOOM! Studios

[illegible] then I suggest watching the film *American History X* or cut right to the chase and look it up online so you'll know what to expect going into BOOM!'s newest "punk-alyptic" series.

Punk music meets gang-on-gang violence in a fictional town where the all-female gang The Fever fight to keep their turf from rival gangs. One night, the unstable peace between the gangs is suddenly broken in a sudden, violent act that sets in motion an all-out war between the gangs and the city set between them. With tensions high and fingers pointing among the clans, Machete Betty and the other members of The Fever face danger and death in the name of survival.

With an 80's color palate and punk sensibility, *Curb Stomp* is a hybrid between *Phonogram's* musical reverence and artist, Ryan Kelly's female-focused work (if it had more bloodshed). For you movie lovers out there; think *The Warriors* if it took place in underground music clubs and involved less costumes. Curious yet? You should be.

MILLENNIUM

Humanoids

The Middle Ages: A time of unrest, of bloodshed and pillaging. Growing evil permeated the western world and prospects of a future unified continent seemed bleak. This is the world of Humanoids' newest book *Millennium*.

More than a simple sword wandering in these turbulent times, creators Richard D. Nolane and Francois Miville-Deschenes infuse *Millennium* with the supernatural, a compelling mystery, and the literal worst of biblical events. An Arthurian legends-type graphic novel, we follow Raedwald the Saxon and his loyal companion Arnulf as they fight to uncover a vast conspiracy. They must fight against ghouls, possessed monks, and numerous other monsters found only in myth and legend all the while maintaining their Christian faith and confidence in a greater good.

An epic story in its very presentation—300 pages spanning space and time—*Millennium* is a beautiful book in the complex world Nolane writes and an equally beautiful book in the intricate and detailed world Miville-Deschenes illustrates. Without a doubt this is a solid addition for all fans of wonderfully crafted European graphic novels.

TRIBUTE EDITION

BONE (COLOR) TRIBUTE EDITION BONE: OUT OF BONEVILLE

Cartoon Books (Graphix/Scholastic Books)

Back in the days of the indie comics boom, titles like *Teenage Mutant Ninja Turtles* led to the eventual black and white comics glut which, along with rampant speculation, almost destroyed the comic market. After that time there was a perception that if a comic wasn't in color then it couldn't possibly be any good. Fortunately titles like Cartoon Books' *Bone* and Abstract Studio's *Strangers in Paradise* proved them wrong. Maybe it was the *Wizard Magazine* Ace editions or their time under Homage Studio, but they showed us that a good, make that great comic doesn't depend on color.

After 55 issues and 9 volumes in black and white, the adventures of the three Bone cousins in 2005 became the launching vehicle for Scholastic Books' Graphix line of graphic novels. *Bone* became the first title for this imprint solely dedicated to publishing graphic novels for children and teens, and to make it new to a new audience it was published in full color with terrific coloring by Steve Hamaker.

Now for Graphix's 10th-anniversary a special edition of *Out of Boneville* has been produced featuring 48 pages of bonus material and in hardcover for $14.95. Just getting *Out of Boneville* at that price is already a deal, but now we get mini-comics and other artwork inspired by the series from creators like Kate Beaton, Kazu Kibuishi, Dav Pilkey, Raina Telgemeier, Doug TenNapel, Craig Thompson, Dan Santat, and others.

I already have all the comics, the black and white trades, the one volume edition, and all the color editions, but this is one more I have to add to the book shelves. This is a series I've enjoyed, my kids have enjoyed and hopefully if I live long enough my grandkids will enjoy.

Fantagraphics Books

Traveling can be stressful in any scenario, but have you ever traveled with the responsibility of caretaking for elderly loved ones?

Displacement, the latest instalment in *New York Times*-bestselling cartoonist Lucy Knisley's graphic memoirs, sees Lucy escape the bitter New York City winter and volunteer to safeguard her grandparents on a cruise of the Caribbean. Reflecting on her grandfather's WWII memoir while on the cruise, Knisley is given a view into their lives as they try to connect. Unsure of what this trip will bring, she capitalizes on the idea of getting to spend quality time with her aging family members. Not everything goes according to plan. Lucy confronts a mix of emotions. Love, frustration, sorrow, happiness — all of these feelings are genuinely captured in this beautiful tale.

Knisley's art soothes and welcomes the reader, softening the difficulties of both travel and connecting with grandparents. Grandparents are not around forever, and Knisley basks in the bittersweet, wonderful time that she is able to share with them.

ARCHIE'S DARK CIRCLE LINE: DARK HEROES RETURN

This January, following their continuing success with their more mature-skewing hits *Afterlife With Archie* and *Chilling Adventures of Sabrina*, Archie Comics will debut their new line of super hero comics in their "Dark Circle" line. Following in the grand tradition of Archie's classic "Red Circle" hero books, their "Dark Circle" titles will skew a bit more mature, with the involvement of some of comics' most talented writers and artists.

This month, Alex Segura, editor of Archie Comics' "Dark Circle Comics" line, spoke exclusively with ***PREVIEWS*** about the upcoming "Dark Circle" line, and the first title to be offered, ***The Black Hood***, as well as the rest of the line and its direction in the months ahead…

DARK CIRCLE® COMICS

FLIPside

***PREVIEWS**: What sparked the idea to create a new line of superhero comics at Archie Comics?*

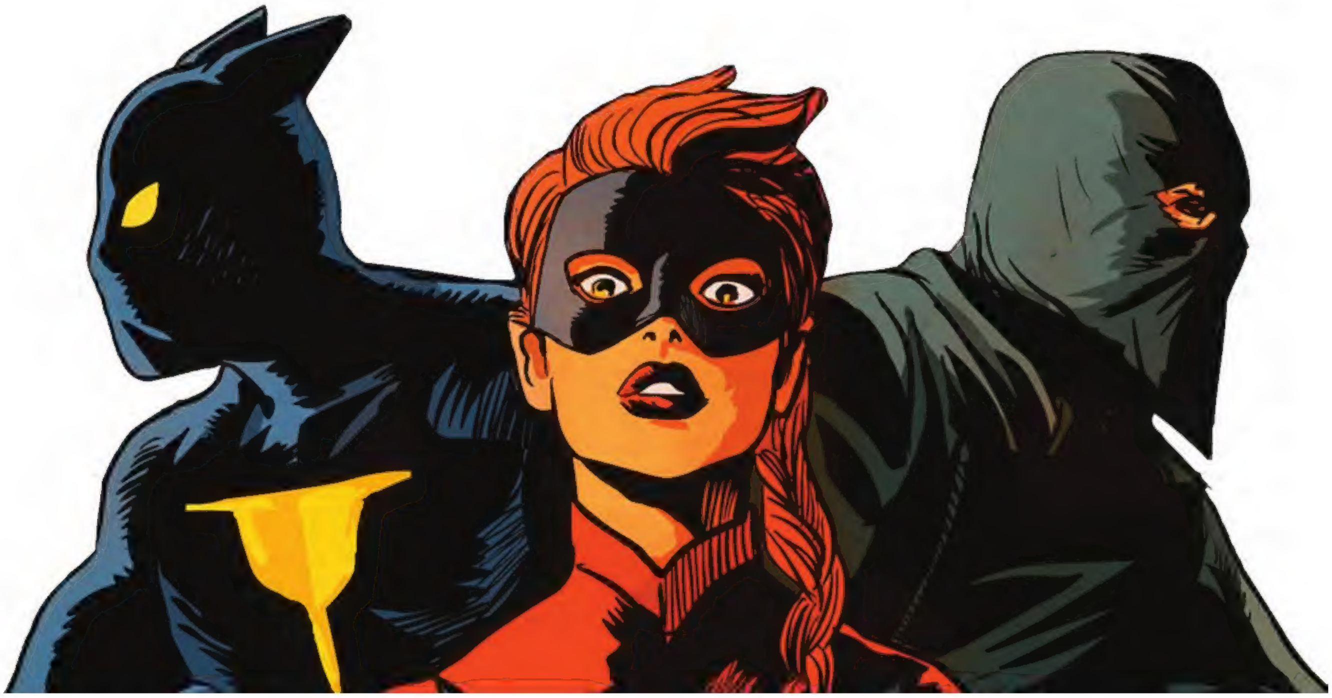
Alex Segura: Heroes like The Shield, The Fox and The Black Hood go back to the Golden Age of comics. Archie is one of the few companies that have a library of amazing superhero concepts that haven't really been fully explored, aside from a few re-launches over the last few decades. These characters and concepts are really strong, and cover a wide array of genres, from classic superhero action to crime/noir to horror. It seemed like an obvious thing to revisit them. That being said, we didn't want it to feel like just another reboot, which was a big reason why we rebranded the line to be "Dark Circle Comics". These are new takes on these characters and concepts by some of the best talent in comics, with a definite eye toward telling compelling, serialized fiction in a creator-driven, cinematic and literary way. We're less interested in bogging readers down in continuity, checklists or history, though we will be mindful of what's come before. The goal, first and foremost, is to tell a great story featuring some amazing characters.

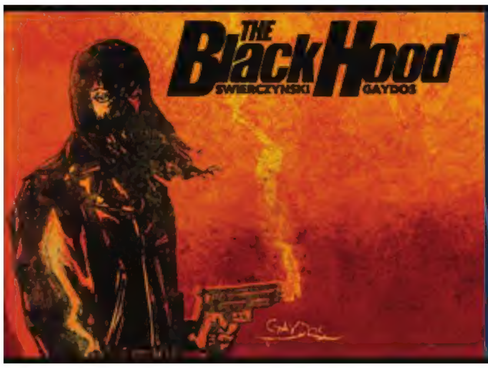
***PREVIEWS**: **The Black Hood** features a police officer who becomes a vigilante, taking the law into his own hands. How is this version of the character different from any previous iteration we may have seen before?*

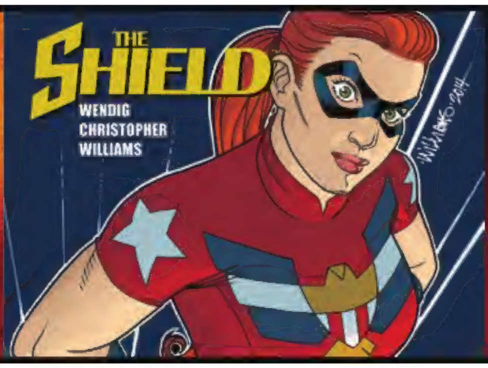
Alex Segura: Previous iterations of the Hood were very rooted in the world of super heroics, capes, etc. This one is a down-and-dirty crime book. You won't see any super powers and you won't see any costumes beyond the hood our hero puts on near the end of the first issue. This is a book for fans of *The Wire*, *Fatale*, *Boardwalk Empire* and *The Shield*. Writer Duane Swierczynski, who is also a best-selling crime novelist, is really cutting loose on this in a way he's never had the chance to before, and it's been great to watch. The fact that we have Michael Gaydos, who in my mind drew one of the most definitive crime comics ever in *Alias*, onboard is a real victory — and he brings the story to life in an unforgiving way we'd only imagined. This book is going to be a treat.

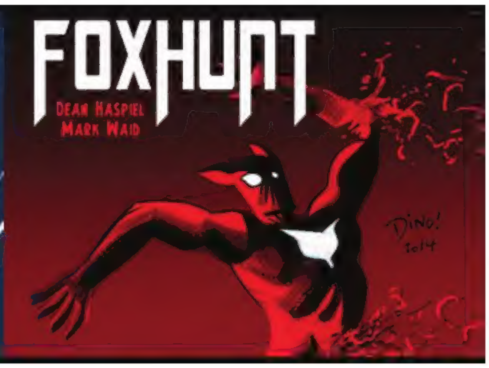
***PREVIEWS**: **The Fox** is making a transition from Red Circle to Dark Circle. Is it possible we may see other Red Circle characters appear in the Dark Circle titles?*

Alex Segura: I think anything's possible. At this point, "Fox Hunt" — the first arc of the new ***The Fox*** ongoing series — is about turning up the volume from the first mini-series and showing how the Fox fits into the Dark Circle universe. Dean Haspiel is really pushing the envelope here and bringing his indie, DIY aesthetic front and center for this story, with script by the incomparable Mark Waid. A lot of people have said this, especially FOX editor Paul Kaminski, but it bears









repeating, ***The Fox*** is "super heroes on acid." If that sounds awesome to you, don't miss the book!

***PREVIEWS**: The writers for **The Shield**, Chuck Wendig and Adam Christopher, are primarily known for their work in prose novels. What makes them a good fit for the character and universe?*

Alex Segura: With Duane and Dean and also Chuck and Adam, we were looking for voices that while maybe familiar with comics as a medium, were going to approach the story from a fresh and unexpected way. We don't want these books to read like one of many — they should be energizing books that challenge the reader's preconceived notions of what these characters are. With ***The Shield*** in particular, Chuck and Adam rebuilt the character from the ground up — and the end result is a very modern, engaging and interesting new addition to the Dark Circle mythos. Chuck and Adam know story, conflict and world-building, and that's what we wanted when we reached out to them — we wanted people who were intent on creating a world around this new character as opposed to just tacking her onto a pre-existing continuity.

> THESE ARE NEW TAKES ON THESE CHARACTERS AND CONCEPTS BY SOME OF THE BEST TALENT IN COMICS. THE GOAL, FIRST AND FOREMOST, IS TO TELL A GREAT STORY.

***PREVIEWS**: The Dark Circle books seem to each have unique artistic styles, yet exist within the same shared universe. Was it challenging to have each book possess individual artistic flavors while also keeping a sense of a shared universe intact?*

Alex Segura: I'm not as concerned with keeping a sense of a shared universe — that should be clear when you read the books. I am, however, most interested in making each of these books stand out on their own, and feel unique, interesting and, most importantly, be addictively entertaining. A "universe" is a big place, and I think we can safely say they all reside in the same space — what's going to keep people coming back is the quality of the individual stories and how well they drive people to get the next issue. And we realize that it's a bit of a climb for people to take a risk, from retailers to customers, so we're pulling out all the stops to ensure that retailers feel confident ordering these books and fans are willing to add them to their pull lists. Story first. The universe-building and cross-pollination comes after.

***PREVIEWS:** The Dark Circle books exist within a shared universe but seem to have separate storylines. Do fans have to read all three titles to follow the story?*

Alex Segura: We're not forcing people to read every book to understand a greater story — it's not a crossover. Each book will have its own tone, flavor and direction, and they will complement each other in unexpected ways. But not everyone that watches Homeland watches The Americans watches Sons of Anarchy and so on. At the same time, you can't argue they're all great shows with clear visions and great teams. That's what we strive for with each of the Dark Circle titles — to make great comics. The rest will follow.
